

**RICH WARM BLOOD.**

**Absolutely Necessary to Health, Strength and Comfort—Good Blood Banishes Disease.**

People with rich, red blood do not feel the cold of winter. When your feet are cold, your fingers numb and your face blue and pinched, it is a certain sign that your blood is thin and your circulation weak. Your blood needs building up with Dr. Williams' Pink Pills. They make new blood; they stimulate the circulation. The new blood they make races through your veins to every part of your body from finger tips to toes, and makes you warm, happy and healthy. Mr. Alphonse Lacousiere, St. Leon, Que., says: "About a year ago my blood became impoverished and I was badly run down. My hands and feet were always cold and I could not stand the least exertion. My trouble was further aggravated by pains in my kidneys and bladder, and often I could not go about without aid. I consulted doctors, but they did not help me, and I was almost in despair when I was advised to use Dr. Williams' Pink Pills. I got six boxes and before they were all gone I knew I had found a medicine to cure me. I took the pills for about a month longer and every symptom of my trouble was gone and I have since enjoyed the best of health."

Dr. Williams' Pink Pills cure after doctors and common medicines have failed because they actually make new rich blood, and so strengthen all the organs and brace up the nerves. That is the way they cure indigestion, kidney and liver troubles, rheumatism, nervousness, neuralgia, palpitation of the heart, St. Vitus' dance, partial paralysis and the secret ailments that fill the lives of so many women with misery. Do not take any pills without the full names, "Dr. Williams' Pink Pills for Pale People," on the wrapper around each box. Sold by all medicine dealers or sent by mail at 50 cents a box or six boxes for \$2.50 by writing the Dr. Williams' Medicine Co., Brockville, Ont.

The physicians in Sweden never send bills to their patients. The people pay their doctors what they think fit, and the rich give big fees, while the poor give what they can. In this way things are equalized and no one ever thinks of jumping the doctor's bill. All of which must be very nice.

The police at Budapest investigated one of the big parks of the city the other night and found over fifty people sleeping in the trees. The people are forbidden to sleep in the park, so they had climbed the trees and tied themselves to the limbs to keep from falling. In this way they escaped the notice of the police for a long time.

Toronto City Council voted, with one exception, to extend the franchise to married women who have the necessary property qualification. The exception was Ald. Noble, a bachelor. While Inspector Brooks said Mr. Cornish would get his permit, he refused to say why Mrs. Green's permit had been revoked.
