

WON GAME YESTERDAY

Large Crowd Witness Hard Fought Game on St. Peter's Grounds—Contest Went Four Innings—Score Five to Four.

Doyle showing remarkable pitching ability, displaying faultless batting, and watching the bags with both eyes, was to a large extent the reason the Thistles pulled out of last night's game the winners 5 to 4. Doyle was without a doubt the king of the diamond. With ten fans to his credit, three hits, one of which was a clean three bagger, and allowing but two men to walk to the base, he won for himself a name in the history of local baseball. Exercising some of his old time speed, it was a sight to see him wing that sphere across the plate. The last of the third showed the sturdy pitcher up in good style. On this occasion he retired three of O'Connor's herculean sluggers in rapid succession.

Another feature of the contest was the hitting of Haggerty. Last year this man fooled around the lower rungs of the ladder, but with constant practice he is now considered a sure hitter. In addition to the wallop disease he has developed wonderful speed for base running. The game started away with the Maples registering three runs in the first inning. Art McGuire's slam did the trick. Harrington and Dever were on the bags waiting for a boost home, and their desire was gratified when McGuire punctured.

The Thistles managed to tie the score in the second. McNulty walked and Haggerty got a hit; Garvin, the next man up fanned; Howard sacrificed, scoring McNulty and Haggerty. The Thistles should never have scored two runs, as it was considered by some that they should never have scored one on the sacrifice, but nonchalant players have occurred at stated intervals and Doherty and Harrington happened to be in the place to pull one off. Howard also managed to get home in the inning, making the score a tie. Lobb's double play prevented the Thistles from taking a lead in the second.

Hansen's overthrow was the cause of Lobb scoring in the second for the Maples. The third was a remarkably short inning with no runs registered. In the fourth the Thistles succeeded in getting that winning strike of their own, and it was impossible for the Maples to overtake them. The game was called in the fifth, but the score to the end of the fourth only is counted.

The box score follows:

DIAMOND DOPE.
Three times at bat and three punctures is some record, but add to this a three-bagger and ten strikeouts, and the best mathematician in the country will have to go some to make out a correct total.

Haggerty was up all last night figuring with a piece of chalk on the kitchen floor, to see if he could ascertain how far his batting average is ahead of "Mugsy" McGraw.

And let the fans understand that Art Howard was swinging a murderous club last night.

You've got to hand a bouquet to Haggerty for his batting this year. That "how stuff" Dubby pulls off is great stuff.

George Doherty could be used to advantage on the bench, but he was never meant for a third bagger. He has the shape of a ball player and that's all.

Shamrocks and Maples to the front tonight.

TIZ FOR SURE, TIRED FEET—AN!

"Tiz" is Grand for Aching, Swollen, Tender, Calloused Feet or Corns.

Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, sweaty feet. No more soreness in corns, callouses, bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz."

"Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw your face in pain. Your shoes won't seem tight and your feet will never hurt or burn or swell or become sores. Think of it, no more foot misery, no more agony from corns, callouses or bunions.

Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it!

SHIPPING LUMBER TO U. S. BY RAIL IS RESUMED

Shipments of lumber by rail to the United States have been resumed as far as New England States are concerned, as the Boston and Maine have lifted the embargo on lumber laden cars which was declared about a week ago by themselves and the New York, New Haven and Hartford.

This action practically put an end to the export of lumber to the United States points for the time as most of it is being shipped by rail owing to

LEGISLATION PUSHING ITS BUSINESS THROUGH

(Continued from page 3)
where they got their lumber from because as a rule they kept all parties. All the bill was looking for was for the return of the lumber cut on crown lands and on the operators own private lands.

Mr. Pinder said that logs were cut by small men on both sides of the river away up to the far end of the county and they were rafted down to Springfield and sold. The man who bought logs there had no idea whatever where they came from.

With some little further discussion the bill was agreed to.

The bill to impose a tax upon wild land was then taken up. This bill proposes to put a tax of one cent per acre on all resident owners of blocks of land of 500 acres or over and two cents per acre upon non-resident owners.

Hon. Mr. Baxter said there were large areas of wild land already taxed for school and municipal purposes, and he thought that possibly the added tax would be unfair in some instances. He thought the province should impose all the taxes and make an allowance out of them for the schools and municipal purposes.

Mr. Pinder said that there were thousands of acres in the province which were absolutely useless for all purposes. They had been burnt over and were being used for nothing. It would be unreasonable to ask a man to pay taxes on such land as that. Many owners of such land would be glad to have the government take it off their hands and he thought that lands of that class should certainly be exempt. The bill was agreed to with an amendment.

The house took recess till eight o'clock.

On Wednesday however, the Boston and Maine lifted the embargo which they had declared, and shipments to New England points are once more being made. The New York, New Haven and Hartford have not as yet given notice of lifting their embargo, and until they do so all lumber shipped to New York will have to go by water.

The schooner was towed to South Brooklyn for repairs.

Black as Dirt About the Eyes

Liver Was All Upset and There Was Pain Under the Shoulder-blade—Two Interesting Letters.
Toronto, Ont., June 21.—So many people suffer from derangements of the liver that we feel sure these two reports, just recently received, will prove interesting reading and valuable information to many readers of this paper.

Mrs. F. L. Harris, Keastley P. O. Sask., writes: "I was suffering from liver trouble—had a heavy pain under one shoulder blade all the time, and was nearly as black as dirt around the eyes, so I concluded to try some of Dr. Chase's Kidney-Liver Pills. I did so, and before I had taken one 25c. box the pain had left me and I commenced to gain in flesh, and by the time I had taken two boxes I was completely cured and felt like a new person. My trouble was caused by heavy work out-of-doors, and, of course, heavy eating and constipation. I would advise anyone suffering from kidney or liver trouble to give Dr. Chase's Pills a trial."

Mrs. Charles Terry, Tweed, Ont., writes: "Before I was married I was troubled with enlargement of the liver. My liver became so enlarged that you could detect the swellings on either side, and it was only with difficulty that I could get my clothes on. A friend advised me to try Dr. Chase's Kidney-Liver Pills and take them. I commenced this treatment, and used nine boxes, which cured me at that time. Then, about two or three years afterward I was troubled again with the swelling, but only on my right side. I secured some more Kidney-Liver Pills, and took them, which finally cured me. I have not been troubled in this way since."

Dr. Chase's Kidney-Liver Pills to anyone having kidney or liver trouble.

We have also found Dr. Chase's Linseed and Turpentine excellent for coughs and colds. In fact, any of Dr. Chase's medicines which we have used have been found to be of great benefit.

Dr. Chase's Kidney-Liver Pills are a dose 25c. a box, 5 for \$1.00, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.

PAINS SHARP AND STABBING

Woman Thought She Would Die. Cured by Lydia E. Pinkham's Vegetable Compound.

Ogdensburg, Wis.—"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

Mrs. ETTA DORR, Ogdensburg, Wis. Physicians undoubtedly tried their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound. If any complication exists it pays to use the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

COCONUT OIL FINE For Washing Hair
If you want to keep your hair in condition, be careful what you wash with.
Don't use prepared shampoos of any kind. This dries the scalp, makes hair brittle and is very harmful. Plain milled coconut oil (which is pure and entirely greaseless) is better than anything else you can use for shampooing, as this can't hurt the hair.
Simply moisten your hair with water and rub it in. One or two spoonfuls will make an amount for rich, creamy lather, and cleans hair and scalp thoroughly. The rinses out easily and removes particles of dust, dirt, dandruff and all the hair dries quickly and evenly, and it leaves it fine and bright, fluffy and easy to manage.
You can get milled coconut oil at most any drug store. It is cheap, and a few ounces is enough for everyone in the family for months.

How to Rid the Skin of Objectionable Hair
(Aids to Beauty.)
A simplified method is here for the quick removal of hairy or overgrown hair. It is more than treatment required. Mix a stiff paste with some powdered delatone water, apply to hairy surface and 2 or 3 minutes rub off, wash the skin and every hair has vanished. Simple treatment cannot cause irritation but care should be exercised to rub delatone.
