A despatch from Kingston, Ontario,
says it is believed that the United States
steamer Ada, which left Kingston with
forty officers and men on board, has been
lost with all hands.
The storm of rain and snow over most
of New England lest night and to day was
the most violent known so early in the
season for many years.

Havana dates of the 12th contain the following: "Before being executed, Ryan sent for a notary public to make his will. He diedwithout finching. Bembeta showed emotion, and Jesus Del Sol and Cespedes completely broke down at the last moment. The day before Governor Burriel held a secret interview with the latter and endeavored to make some arrangement with him for the surrender of his brother, President Cespedes, but failed in the attempt."
