

TO OUR READERS.

In publishing the *COLLECTIONNEUR*, we know that we are undertaking a heavy task that of interesting so many readers, about 3000 for the first number. We beg our subscribers to be indulgent more specially for this number.

The editorials have been made in haste and, besides that, we have no proof correctors &c., &c.

Our former publications sold well and we hope that success will be the result once more. We will treat upon coins, medals, tokens, stamps of all kinds, bank notes, seals, coats of arms, autographs and all that may interest collectors.

Nous accusons réception du No 98 de la Revue des Autographes par Chavarray, de Paris, France. Avis aux amateurs.
