Let me talk to you about being “Run-Down”

When your system is undermined by worry or overwork—when your vitality is lowered—when you feel “anyhow”—when your nerves are “on edge” when the least exertion tires you—you are in a “run-down” condition. Your system is like a flower drooping for want of water. And just as water revives a drooping flower—so ‘Wincarnis’ gives new life to a “run-down” constitution. From even the first wineglassful you can feel it stimulating and invigorating you, and as you continue, you can feel it surcharging your whole system with new health—new strength—new vigour and new life. The result will delight you.
