"My dear, said Mrs. Snaggs to her husband, "what is a canard is?" queried Snaggs rather sneeringly; "why the word itself conveys its own meaning."

"Don't you know what a canard is?" queried Snaggs rather sneeringly; "why the word itself conveys its own meaning."

"Dose it? Well, really. I can't see it.

Why, a canard is something one canardly believe, of course."

"Oh, to be sure! Why couldn't I think of that."

the kidneys secrets urine to carry off uric acid, which can be aroused for some intruit. There is reason the secrets gastric luice to digest or dissolve the secrets gastric luice to digest or dissolve the society and it is customary for them to be a there with their husbands. The English women indulge much more generally in physical exercise. Women in America have far less to divers them than men. Few have grand absorbing pursuits to raise them above a never-ending routine of petty duties. They have not the pleasurable excitement which man has in pursuing a successful career, in which he comes in contact with the world on every side. If her estate is humble

which man has in pursuing a successful career, in which he comes in contact with the world on every side. If her estate is humble she dishwastles, mends, dresumakes and ekes out a limited income from year to year to make it do its utmost; if her estate is grand she has the monotony of an elegant leisure, the worry of obtaining her wardrobe, the visiting dinner-giving, park-driving, novel-reading existence. The one asks, "Must I always go on saving and economizing?" the others asy, "To what good is my life?" Dissatisfied with the small outcome of results the nervous harmony becomes discordant more and more until the jangle of shattered nerves shows itself in the terrible and complex disease of hysteria.

of Vital Importance. —It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bodily ills arise from unhealthy blood. Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action. 246

-No person should go from home without bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives. This Cordial has gained for itself a widespread reputation for affording prompt relief from all summer complaints.

In Season.

—It is now in season to warn our readers against the sudden attacks of cholera, cramp, colic and the various bowel complaints incident to the season of ripe fruit vegetables, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

—A lady writes; "I was enabled to remove the corns, roots and branch, by this use of Holloway's Corn Cure." Others who have tried it have the same experience.

Certain Cure.

—A cure for cholers morbus.—A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer or fall, is found in Dr. Fowler's Extract of Wild Strawberry; to be procured from any druggist.
