

# Dalorama

by Michael Cormier

### Rules

Find the word which best suits the clue. The word begins with the letter above the clue you are dealing with. The number after each clue gives the number of letters in the word. When you get the word, try to find it in the box of letters. Circle the letters in the word. After all words have been found the quiz word will remain.

Answers to last week's quiz

The World Series Quiz word clue

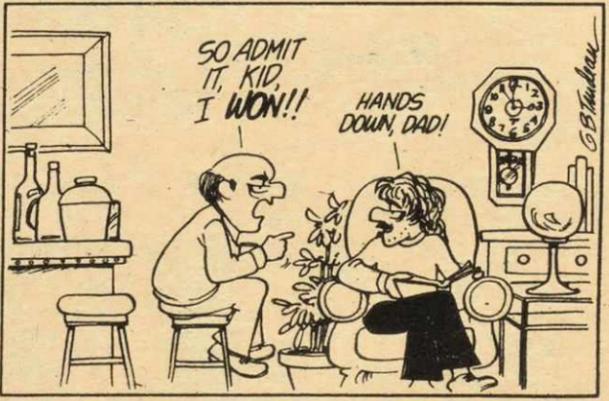

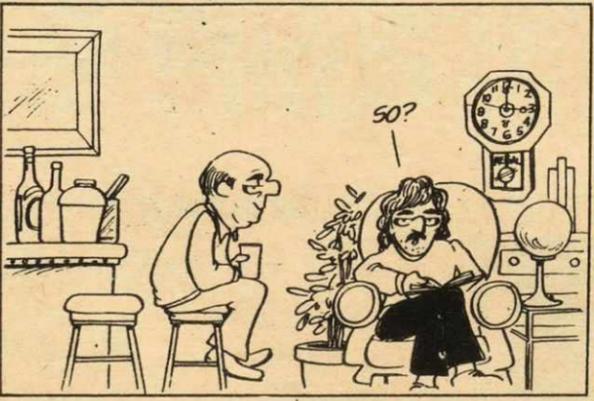

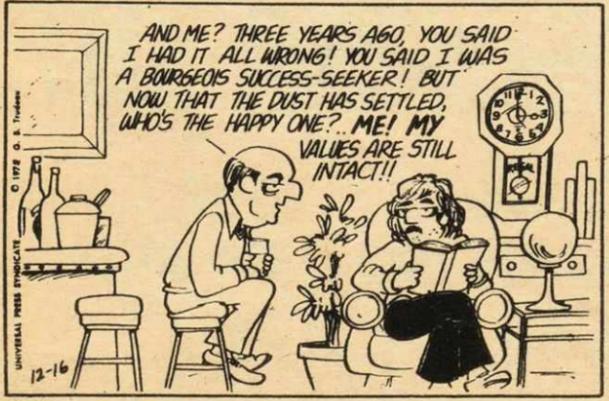

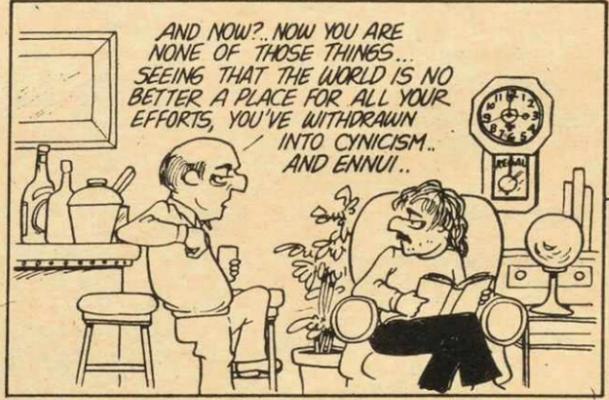

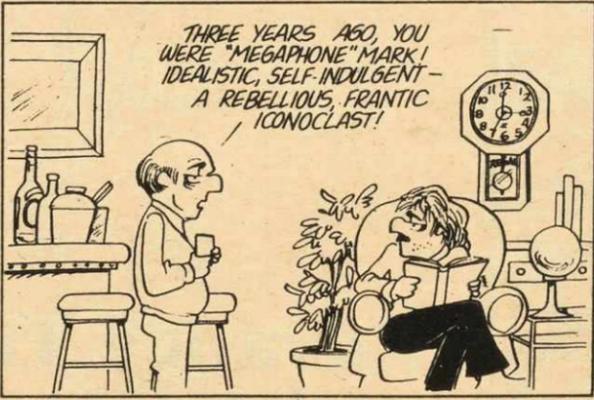

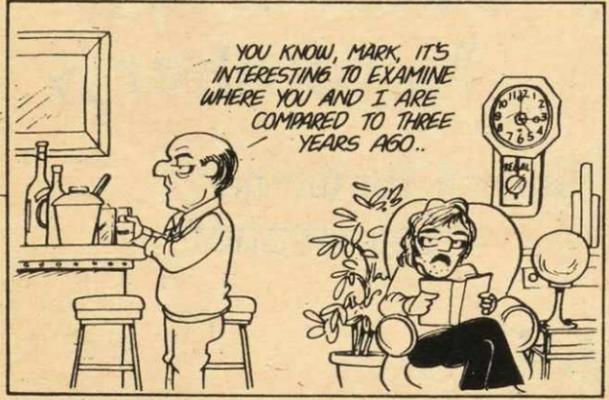

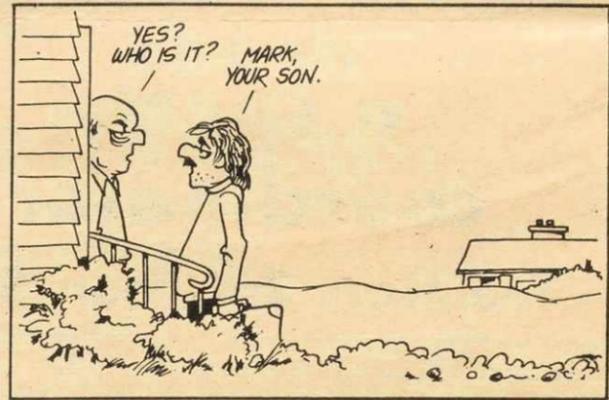

Tower of Power (12)

- |                                  |                                     |                                    |   |   |
|----------------------------------|-------------------------------------|------------------------------------|---|---|
| -A-                              | -F-                                 | -N-                                | -R-   | -T-   |
| Solution to the problem (6)      | Home run (10)                       | They live up hospital floors (6)   | To give up (7)                              | Use this to mend a broken heart (10)                  |
