We still hope that before
the summer is over, we will
have that promised visit -
Edith & Gordon have gone
to the Island Campship.
for three or four weeks.
& suppose you are at
Keppel now enjoying your
country seat.
We are having wh. of joy

As present - which is good for
the cause -

The family will visit me

in Mrs. Miles's house

at the City of the

Progr. S. Board -

Parade -
