My dear Tupper.

I tried you to  
Robertson that I had  
not seen the 44 but  
that his letter would  
be sent direct to  
Washington. Mrs. Manning  
has your tel: from  
Boston. I sent you  
to the New York Hotel  
a note from myself to  
Mr. West. I was just  
off to lunch at Bedouin
