Quebec March 25th 1925.

To The Right Honourable Arthur Meighen,
House of Commons,
Ottawa, Ont.

Dear Sir:-

Following up the conversation I have had with you, in your office, the last time I was in Ottawa, regarding the extension of the Canadian National Railways' line in the northern section of the Lake St. John district, I am pleased to enclose herewith a copy of the resolution passed by the Quebec Board of Trade.

Quebec as a whole is keenly interested in this work, which should mean not only the agricultural expansion, but the lumber and hydraulic expansion, which would be all to the benefit of not only the Lake St. John District, but to the whole Province of Quebec.

So, I hope that, if this question is brought before the House, you will give to it your entire support.

Yours very truly,

JSR/PG
