

We will be prepared to submit the Council on our
day's notice which you may give us by wire if you so desire.

which we have been unable to have the horses to hand. In
order to get the horses back to us, we have sent the following
order to the manager of the "Two Chickens" hotel, New
Mexico, who is about 4 miles west of the town, and about two miles
from the river bank at the mouth of the San Juan River, to
get there the horses that we left there at 2 o'clock P.M.
yesterday. The distance from the hotel to the river bank
is about half a mile. The horses of course will be at
that portion of the river bank where we crossed, so distance
therefore need not be given. The 10th instant John Flatt
left the hotel for the purpose of getting the horses. He
is slightly under forty miles to the south of the river.
After reaching John Flatt the 10th inst. and had been before
the manager to the above named hotel, he was sent to the
crossing point. After the horses were secured and loaded
to the manager's stable, John Flatt started for the place where the
Company camped, which is about three miles west of the town. On Flatt's
return

The first will be five and one will be twelve
between and the other two numbers.

I understand that it is proposed to hold a meeting of
the trustees to obtain their assent to the proposed works and I
trust to you that you will do so as early as possible.
The Committee of the [redacted] have only a limited time
to get the scheme agreed under legislation and consideration must
be given without delay to the details, with all expedition to make sure
that this contract can still be completed. All preliminary arrangements
have now been completed by the Company and that portion of
