

reading this letter through
 back of proper address.
 I feel glad at your recollection
 because we were just dead.
 I was with us when death
 would be so rapidly slipping
 the bellies of our fellow
 dead. I will remember this
 to our mother when I address
 Mrs. Bruce that we were all
 to whom I was writing.
 Hoping it may comfort the heart
 you. Faithfully your friend

I have April 24th
 115 The Nelson Ave.
 Mrs. Mackenzie King.

Mrs. Bruce,

through a letter was paper
 received from Mrs. Bruce
 we have just heard with
 perhaps of Michael - the plot of
 your death. I have no doubt in
 the loss of your dear mother
 Belva - with you deeply -
