'TIS SAID

'TAS "DIK"

Toronto's chief imports yesterday

were bridal couples. It is estimated

that fully forty newly-married pairs

came into the city on the evening

trains. At one downtown hotel,

where no less than nine couples were

registered, one bridegroom created

some amusement by forgetting to put

down his wife's name, and the clerk

had to supply the omission. The

other central hotels had from one

to half a dozen couples among their

complement of guests.—Mail and Empire.

"WHERE HEALTH

AND PLEASURE WAIT."

This is the title of "Four-Track

Series" No. 2, and while it is only one

of the many interesting folders issued

by the New York Central Railroad,

it reads so much like an invitation

to the hundreds of places where

health and pleasure wait, that every

one who receives a copy will want to

accept it.

The folder is intended to give an

idea of those charming places, and

that is the reason why it contains

so many illustrations of lake, moun-

tain and sea resorts that are easily

reached, each beautiful in its way,

and where everybody would like to

go if he could.

Those who intend to spend the

summer in the country, or are think-

ing of making a short trip for plea-

sure will find this folder of much

assistance in deciding where to go.

A copy will be sent free to any

address on receipt of a 2-cent stamp

by George H. Daniels, General Pas-

senger Agent, Grand Central Sta-

tion, New York.

A SAD CASE

Rev. H. W. Locke, for some years

pastor of Victoria Avenue Methodist

Church in this city, and until quite

recently in charge of the Methodist

Church in Leamington, was taken to

the London Asylum on Saturday last.

Mr. Locke suffered severely for some

time from a gripe, which affected

his reason to an extent that it was

deemed advisable to place him in such

an institution, where he would get

every care, and it is to be sincerely

hoped that his mind will be comple-

tely restored. The case is a particularly

sad one, from the fact that

Mrs. Locke has been an inmate in the

Public General Hospital in this city

for some weeks, and is still un-

aware of the condition of her hus-

band. The children, four in num-

ber, are being taken care of by re-

lative, who have gone to Leaming-

ton for that purpose.

OUR "TIP"

You may just as well be clothed right as

wrong—the expense is really no more to

have your clothes made by us and selected

from the very best materials, than to buy from

some concern that carries inferior goods.

Morley's Tailoring and material are right

and the best dressers in Chatham have their

CHARMING MUSICALS

The second of the closing piano re-

ceptions was given last evening at the

Ursuline Academy by the Junior

music pupils, and was a most in-

teresting and pleasant affair. The

music hall was prettily draped in

white and blue, and with a profusion

of lovely plants and sweet, fragrant

flowers. The fair, innocent faces of

the youthful entertainers, enhanced

by their charming gowns and floral

adornments, made more than usually

attractive the beauty of the scene.

The opening march for two pianos

was a happily chosen number, and

well measured tempo by the Misses

Florence Bartley, Vera
