

The J. H. C. and Other Spreaders

It will pay you to get right down to cases and compare the J. H. C. Spreader with other spreaders before you buy.

YOU WILL BE, first of all, that the J. H. C. spreader is made of all kinds of heavy and durable, under all conditions. You will find that in their use you will get just as far out in value from your money.

You will find that it has been designed and the standard of all spreaders. It will give you more work and will last longer and last longer than any other spreader.

There has been nothing more at taken for this spreader, and it is the best of its kind.

Are you desiring a favorable review of some feature of machine? Then, we will find no better or more correct or more correct in the use of machine, but that is included in its best and in the J. H. C. spreader.

And you will find features on the J. H. C.

Call on the International Agency for information or write nearest branch house for catalogues. **INTERNATIONAL HARVESTING COMPANY OF AMERICA, CHICAGO, U. S. A.**

spreaders that you will find on any other machine. The J. H. C. spreader is made of all kinds of heavy and durable, under all conditions. You will find that in their use you will get just as far out in value from your money.

You will find that it has been designed and the standard of all spreaders. It will give you more work and will last longer and last longer than any other spreader.

The Farming World

Dedicated to Country Life in Canada

The Farming World is published weekly in Canada, published on the 2nd and 9th of each month, with a circulation of 10,000.

Subscription Price—One year, steadily in advance, \$10.00. Two years, \$18.00. Single copies, 25c.

Postage is prepaid by the publisher for all subscriptions in Canada, the United States and Great Britain. See all rates on page 1 in the Farming World and they will be found.

Advertisements—All advertisements are promptly delivered. When time paid for, the advertiser is responsible. The address label of each subscriber's paper should be kept, and if it is found to be incorrect, it will be corrected at the publisher's expense.

Change of Address—When a change of address is ordered, both the old and the new address must be given. The notice should be sent one week before the change is to be made.

Receipts—All receipts must be sent to the publisher. If a receipt is not received, it will be assumed that the money has been received. If a receipt is not received, it will be assumed that the money has been received.

Advertising Rates—See application. An advertiser should be addressed in connection with the Farming World business, at the office, 100 King Street West, Toronto.

All Eyes are on This Invention

PATENTED 1904, U. S. P.
