mmmmmmm HOLSTEIN-FRIESIAN NEWS

Farm and Dairy is the official organ of The Canadian Holstein Friesian Association, all of whose members are readers of the paper. Members of the Association are invited to send jeans of interest to Holstein breeders for publication in this column. moundance

HOLSTEIN BREEDERS DINE

The annual banquet of the Quebee branch of the Canadian Holstein-Priesian Breeders' Association took place last week at Sherbrooke, Que., in connection with the Sherbrooke exhibition. The gathering was honored by the presence of deneral C. W. Wood of Worcester, Mass., the president of the American Holstein-Priesian Cat. the Breeders' Association of the Company of

dent of the American Hol subset. The president of the American Hole on Friesian Cattle Breeders' Association. General Wood gave an inspiring address. He showed the great strides that had been made by Holstein cattle all over the commade been made to prove the commade been made by Holstein cattle and the American Association now has \$15,000 in its reasury with which to fight imminical legislation, such as was passed some years ago by a number of stree, but which, for referred especially to the law passed by

the most part, has since been repeated. He referred especially to the law passed by the Massachusetts legislature, which set a standard of 37 per cent, for milk. This law was repealed after a hard fight. It is a many second of the second part of the that the American Association was ex-pending about \$9,000 a year advertising in some 200 maguines, the good qualities of Holtetin cattle and of Holstein milk. A feature of the energy Wood's address was a feature of the energy Wood's address was a leave of the second part of the cord-bid part of the energy work of the energy was preceding. reeding.
