

Every Man

Who has to work for the support of his family ought to be perfectly easy about their future. Nothing less ought to satisfy him than a financial guarantee that they will be provided for if he fails to do so. If he lives he can continue to find them day by day their daily bread; if he dies, the guarantee will. For particulars of the guarantee and the cost of it, call or write.

400—Helderleigh Fruit Farms Nurseries—400
(Four Hundred Acres in Extent.)
Established 1882.

There is no place in Canada where the season is longer than here. Hence we get trees brought to the fullest maturity, capable of withstanding the severest cold. Having one hundred acres in fruit, from which cuttings, buds, scions, etc., are taken, I can safely guarantee the purity of my stock to be equal, if not superior, to any other nursery. The soil is specially adapted to produce vigorous, hardy trees, a grand lot of which are now growing and for sale. All the leading sorts of both old and new varieties deemed worthy of propagation. Catalogues free on application. Agents wanted in every township.
