Grind Your Feed at Home

If you would investigate you would find
that you could grind all your feed, cut all
your straw and pump all your water at
home with a

STICKNEY Gasoline Engine

and save the price of the engine in a very
short while by saving the miller's tolls, and
the hire of the man who owns a portable
engine. Think of it—Without leaving your
barn you could do all your work that re-
quires power. And the Stickney never
breaks. It is ready at all times. No trouble.
No tinkering. The cost of the gasoline is
very small. We carry all sizes from 3 to
16 horse-power. Write for our catalogue.

Defy lightning as well as storms

You can defy lightning, so far as it affects your build-
ings, when you roof with Preston Shingles. For with
them you get a GUARANTEE against harm to any
building they cover from the thunderbolt. And they
protect you against all kinds of weather as well.

YET these better-gal-
vanized (therefore
longer-lived) metal
shingles cost you not a
cent more per hundred
square feet than you must
pay for the ordinary kind.
And even that ordinary
kind is worth far more

PRESTON SAFE-LOCK SHINGLES

than wood shingles—or slate—or
the (so-called) patent roofings.

You should be well-advised about roofings

Allow us to send you a book
that tells the mere truth
about every sort of roofing
material there is. It is free.
You would gladly pay for it if
you know what it would save
you—in money, bother and
time. But it's yours for the
asking.

Please ask
for that book.
Do it now. It
tells, among
other things,
why the all-
square lock
means bigger
roof value.
