The friends of the club are generous, but the management would like to impress on them the necessity of a continuance of their past bounty until such time as the institution becomes self-supporting. The friend who stands out first is Mr. F. B. all, was much pleased, hearing the suppliant prayers of his ardent in tercession. At one time, when St. Francis was again fervently praying an angel urged him to go guickly into his beloved chapel, called Portiuncula He hastened there and saw the most wonderful spectacle. Our dear Lord appeared over the tablernacle, his face, beaming with infinite kindness and IN THE LACROSSE WORLD.

Last Saturday afternoon 7000 people saw the champion Shamrocks de feat the Nationals by a score of 9 goals to 5. It was an ideal day for lacrosse, with a refreshing breeze blowing which greatly helped the players. In the middle of the game there was a row between a Shamrock man and one of the Nationals. For a time things looked guite lively as players and officials tried to s parate the combatants. Before the third guarter of the game was commenced Mayor Reid of Maisonneauve and Chief of Police Benoit gave ders that no more fighting would be. allowed on the field and threatened to arrest any of the players involved in it. It was a good game, with snappy lacrosse. In the second and third quarters the Shamrock home men gave an exhibition of stick handling that no other team could give, again proving that the green jerseys are the most scientific lacrosse players the world over to-day.

NOTES OF THE GAME.

Kenny's great stop of a hot shot with his hand, and Hoobin's dashes were features of the game.

Currie's trick of drawing the ball at centre succeeded nearly every time. Johnny still plays well.

Johnny Brennan is doing great work on the home this season.

"Spike" Hennessy is going at fast clip.

Young Martin, of the intermediates, played a great game on Saturday.

Big Jim Kavanagh gave some fine exhibitions of jumping and clearing when hard pressed.

Henry Hoobin had just passed three men and was near the net when he twisted his ankle. The big home man will be out of the game for a few days.

Phil O'Reilly was the same as ever. In the right place at the right time. Johnny Howard was on the spot. when many a National supporter thought it was a sure game. When Howard is near the nets the citadel is well guarded.

Young McIntyre played his first senior game and showed up well. Eddie Robinson was the only player injured during the game. The home man is getting into shape, and

offenses offered to his God and his CATHOLIC SAILORS' CONCERT.
