Halifax Bank Building.

CARLETON'S Condition Powders for Horses and Cattle.

The changes of weather and season, with the change of age and feed, have a very great effect upon the blood and strength of the horse. It is at these times they require an assistant to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will cure when disease appears. If used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the system, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore has the same effect upon the Hoarse, &c. and all other Horses and animals—all diseases arising from or produced by a bad state of the blood, are speedily cured by them.

Remember and ask for CARLETON'S CONDITION POWDER, and take no others. Sold wholesale for the Proprietors in Nova Scotia at Horton's Medical Warehouse, Halifax; in Windsor by Mrs. Wiley; in Dartmouth by D. Farrell; and by one Agent in every town in Nova Scotia and New Brunswick. Enquire for Constable's Almanack for 1852, which is given to all gr. tis. Sept. 6.
