MATTHEW'S PATENT SAFETY LAMP.—One of the greatest desiderata in lighting by oil lamps, viz.:—Obtaining the greatest amount of illuminating power, combined with absolute safety, has been achieved by the inventor of this lamp. In a remarkable degree are combined artistic taste, with strength and utility—economical consumption of oil, considering the power of the light, is also attained. They are made in several forms—from the chaste and elaborate four light chandelier, the two-light dining-room lamp, the student's lamp, and the bracket—in nickel or brass, from \$5.50 upwards—this charge including glass chimney, shade and oil can. We handled lamps which had been burning upwards of eight hours, and were still cool, while upon the same stand were other lamps so hot that it was inconvenient to hold them. The unique merits of this lamp should bring it into general use in churches, halls and schools where gas is not available. A trial of its merits will ensure a large demand. A very neat oven and water vessel make it of great additional value in the hot season for cooking etc. We regret no award was made to this excellent lamp by the judges in our recent Industrial Exposition, we feel satisfied that had they examined its merits it would have received a high award. Parties requiring full particulars and wishing to see these lamps should call upon the wholesale agent Mr. Chas. E. Thorn, 56 Bay St., Toronto.

A CERTAIN RESULT.—In all disturbed action of the Stomach, the Bowels, the Liver or the Kidneys the result of taking Burdock Blood Bitters is certain to afford prompt benefit to the sufferer. Burdock Blood Bitters cure when other remedies fail.

FATAL ATTACKS.—Among the most prevalent fatal and sudden attacks of disease are those incident to the Summer and Fall, such as Cholera Morbus, Bilious Colic, Diarrhoea, Dysentery, etc., that often prove fatal in a few hours. That ever reliable remedy Dr. Fowler's Extract of Wild Strawberry, should be at hand, for use in emergency.

HALL'S VEGETABLE SICILIAN Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.
