

Makes Kitchen Work Easy and Pays For Itself Too

Look At It In The Picture

Getting dinner—or any meal—takes only half as long when you have this Cabinet in your kitchen. Everything is so handy that cookery is a pleasure instead of drudgery. There's far less mess to clean up afterwards—it's so easy to keep the kitchen tidy—and the cook saves so many steps. Compact, sensible, and work-saving.

Let Me Send You One On Trial

You can pay for the Chatham Kitchen Cabinet a little at a time,—stretch the payments over many months—so it buys itself while you use it. After it has been a week in your kitchen you will wonder how you ever got on without it.

This Cabinet actually is, and I GUARANTEE it to be, better, more compact and more labor-saving in design than any other made. It costs less. It is more complete, more convenient, built better—a great deal better.

The wood-work is the finest selected Canadian chestnut, beautifully finished in rich, lustrous golden-brown.

The bakeboards, drawers, flour-bin, are snow-white basswood—the shelves, hard, clean maple—knobs, handles, catches, heavy red copper—every part the best material money can buy.

Practical and Common-Sense

It couldn't be made more complete. Large enclosed closets for heavy utensils; plenty of shelves; shelf rack; two big drawers;—17½ inches wide, 5 inches deep; three small drawers; three cupboards; two big bins—self-moving; the whole thing 6 feet high, and mounted on double-acting rotary castors—easy to move around. Top is made of extra-heavy, polished zinc that will wear for years and be easy to keep clean all the while. Six aluminized canisters supplied free with Cabinet.

Take it on trial. Pay for it a little at a time. Nothing like it elsewhere.

Saves Room And Time

Take and try it in your kitchen,—see the work it does away with, the time it saves, the bother it puts an end to,—see how sensibly planned, how excellently built, how well worth its small cost it actually is. Indeed you will be well satisfied if you buy a Chatham Kitchen Cabinet. It is a most practical convenience.

Get My Long-Credit Offer

The drop-leaves (they'll hold a heavy man's weight) just double the table-top's area. Nothing is in the way,—nothing opens on the table's level.

The whole top is polished metal,—sanitary, clean, waterproof. All the fronts of drawers, doors and bins overlap,—that makes them dust-proof, fly-proof, CLEAN. All the inside parts are finished satin-smooth,—not a crevice nor a seam to harbor dirt or insects.

The flour-bin (that compartment lowest down) holds 75 pounds, has a curved solid-metal bottom, and glides in and out at a touch, on double roller ball-bearings. Every drawer shuts TIGHT, but never can stick. Every bin slides in and out EASILY. The whole Cabinet is mouse-proof.

The Chatham Kitchen Cabinet

Saves 500 Steps a Day in Any Kitchen
Saves endless bother and clutter

Fully Guaranteed In Every Detail

There are no out-of-the-way cubby-holes around a Chatham Kitchen Cabinet; but there IS a handy, easy-to-get-at place for everything that is used in getting a meal ready,—flour, sugar, salt, coffee, tea, spices, package food supplies, knives, spoons, kettles, bread-pans, etc., etc. Let me send you a book that illustrates and describes the Cabinet; or send me your order for it on trial, with my special credit terms and a guarantee that you will be wholly satisfied with it.
