PLASTERING.

Can a plasterer who agrees to plaster our house at so much per yard measure in the door, window and other space in the walls the same as if the walls were solid? This space amounts to about 80 yards.

Alta.

R. W.

Ans.—Yes, this is quite generally done, for, as a matter of fact, it requires more time to plaster around a door or window than if the wall were solid.

AGE OF STOCK BOAR—GASOLINE TRACTION.

At what age is a boar considered too old for service? I have a very valuable Yorkshire boar, which will be four years old next April, I should like to know at what age it would be advisable to get rid of him. I should also like to know if one can get a traction gasoline engine, and whether these engines are

Ans.—It would be impossible for us to give the detailed specifications of this or any other house with their cost. Why not get a local carpenter or builder to figure on the plan? Probably if a contractor took the job of building such a house, supplying all material, he would ask about \$2,500, but if the owner provided the labor for excavating and hauling material besides doing other work he might get the house up for half the money.

TO DOG MEN—ADVERTISE.

Could you, through the columns of your valuable paper tell me where I could get a pair of Newfoundland pups?

R. T.

Ans.—Perhaps some of our readers can oblige our querist. Those having well bred dogs, especially collies will find it will pay them to advertise what they may have for sale.

HEAD CHEESE; FEEDING HENS.

1. Would like to know of a simple recipe for making headcheese from a pig's head. 2. What is the best food for

profitable for breaking, and what firms manufacture them.

Red Deer.

AN ENQUIRER.

Ans.—Unless a change of blood is required so as to avoid inbreeding, this male may be used until he becomes impotent.

2. We understand engines of the kind mentioned are made and have been found satisfactory. See our advertising columns.

PAYING FOR DRILL.

I bought a seed drill from a company in 1903, and, as it had not the latest improvements on it I refused to give settlement until these improvements were supplied and satisfaction guaranteed. Soon the general agent of the company called and in return for the drill and the following agreement I gave two notes. I have paid one note but as they do not fulfil their agreement I refuse to pay the other. Can they compel me to pay the note? The following is the agreement:

We agree to put the 1904 improvements on a 20 shoe drill sold to—, at station and make drill give satisfaction in 1904.

Signed by— (Salesman).

H. W. P.

Ans.—The company may sue you for payment of the note but your agreement gives you a defence or counter claim. In fact you might even bring action for nonfulfilment, if the improvements were of much practical value.

WANTS COST AND SPECIFICATIONS.

In your issue of Dec. 5 you give an illustration and plan of a small house. About what would this house cost? Can you publish the specifications? I think it would make an ideal farm house if the cost was not excessive. It is a good plan for furnace heating as the furnace could be set under the three rooms and also the hall.

IF WOMEN ONLY KNEW

Thousands of women suffer untold miseries every day with aching backs that really have no business to ache. A woman's back wasn't made to ache. Under ordinary conditions it ought to be strong and ready to help her bear the burdens of life.

It is hard to do housework with an aching back. Hours of misery at leisure or at work. If women only knew the cause. Backache comes from sick kidneys, and what a lot of trouble sick kidneys cause in the world.

But they can't help it. If more work is put on them than they can stand it's not to be wondered that they get out of order. Backache is simply their cry for help.

DOAN'S KIDNEY PILLS

will help you. They're helping sick, overworked kidneys—all over the world—making them strong, healthy and vigorous. Mrs. E. Ryan, Douglas, Ont., writes: "For over five months I was troubled with lame back and was unable to move without help. I tried all kinds of plasters and liniments but they were no use. At last I heard tell of Doan's Kidney Pills and after I had used three-quarters of the box my back was as strong and well as ever."

Price 50 cents per box or three boxes for \$1.25, all dealers or The Doan Kidney Pill Co., Toronto, Ont.
