For Copy of Correspondence relative to appointment of Municipal

SIR,—The undersigned would respectfully submit for the information of His Excellency the Governor General, that on 27th day of January instant, an Election was held in the Township of *Dunham*, in the County of *Missisquoi*, for the election of seven Councillors for said Township for the next two years ; that at said Election the following persons, to wit: *Richard M. Baker, and William Kerley*, all of said *Dunham*, Yeomen, were then and there duly elected as such Councillors, by acclamation, in the presence of upwards of three hundred duly qualified Electors of said Township, and with the approbation of nine-tenths of the Electors there present, no other candidate whatever being proposed nor any opposition whatever being made to the election of the said seven persons as such Councillors ; that, nevertheless the undersigned have been informed and have reason to believe that the person and who presided at said Election, with intent to defraud the Electors of said Township of their Municipal rights, will not make a truthful return of said election, but will report to the Warden of the said County of *Missisquoi*, that there has been no election of Councillors in said Township, in order to induce said Warden to report the same to His Excellency, that His Excellency may be induced to *appoint* other and different persons than those elected as afore-said to be Municipal Councillors for said Township of *Dunham*. Should such a representation be made to His Excellency, the undersigned can assure His Excellency that it is all absolutely *false*, and, that it is the result of a daring attempt by fraud and villiany, to continue in office a Mayor and Councillors utterly dis-
