Notes From Catalina

The fishery around here opened up fairly well and for about two weeks of the captain the fishermen did pretty good. Just then a south-east breeze with a heavy sea came on, which not only wrecked the traps, codnets and trawls, but swept the fishing ground. Since then we have done nothing. There's just a sign of squid, and dogfish in abundance. In fact it is out of the question altogether to think about setting a codnet or trawls while this pest is around. The Government would certainly be doing the fishermen a great favour if they could only secure a market for dogfish. Thousands of dollars have been foolishly spent but nothing spent in anyway to make the fishermen more prosperous.

The schr. "Willie K.", Capt. Stephen Hurry, who landed a load of lumber here quite recently for the Construction Co., is now here again with another load on his way to St. John's.

The schr. "St. Bernard," Capt. Dominy, left here for St. John's on Friday with a quantity of cod-oil for the Union Trading Co. Our esteemed school teacher, Mr. Samsen, also took passage by the St. Bernard. He will remain in St. John's for a few days, after which he will go to Flat Island to visit his people.

The F. P. U. motor boat, with Mr. Coaker and Dr. Lloyd on board, also arrived O.K. Mr. Coaker is busily engaged looking after the Construction Co., while Dr. Lloyd and Mr. Stone, M.H.A., are equally visiting their constituents at Little Catalina, Melrose and Elliston.

The Union Trading Co. are now making extensive repairs to their premises in the North-East Arm, which after a few more days will be in first class condition. Work in the South-West Arm is progressing most satisfactorily.

The schr. "Lezo," Capt. James Johnson, of Little Catalina, will be leaving for the Labrador on Monday. Skipper Jim usually goes away after caplin school every year and brings home a load.

THE NICKEL The holiday programme at the Nickel theatre yesterday afternoon and last evening attracted very large audiences. At the afternoon show, hundreds were unable to gain admittance while at night the attendance was a record one. The programme will be repeated this evening, and we feel sure there will be a large attendance. There will be an elaborate musical programme this evening by the talented artists of the liner Florida, which will again delight all the lovers of good music in St. John's.

THINK HE IS KILLED.

The night-watch at the G. P. O., Mr. S. Rodgers, by the last mail, received a letter from an officer "somewhere in France" saying that his son, Pte. Edward Rodgers, who was in the big push with our boys, and who was officially reported missing, has as a matter of fact been killed. The information is given by a sergeant from another regiment, who told of the lad's death as being a heroic one, as would be expected. Mr. Rodgers having received the letter made enquiry from the authorities here as to the correctness, or otherwise of the report, but they had no official information of the death of the brave young fellow.

Thos. Purcell R. N. R., Is Honoured

(Editor Mail and Advocate) Dear Sir,—I beg to forward herewith copy of an extract from the London Gazette of the 14th July, which has been sent me by His Excellency the Governor, with respect to the work of the Auxiliary Patrol, in connection with which one of our Naval Reserve men has received honourable mention. I am sure this will be of interest to all our people, and I shall be glad if you will kindly give the extract a place in your columns.

Yours truly, J. R. BENNETT, Colonial Secretary.

The following announcement appeared in the London Gazette of the 14th July:—

"The Lords Commissioners of the Admiralty have received with much satisfaction from the officers in charge of the Auxiliary Patrol areas at home and abroad reports on the services performed by the officers and men serving under their orders during the period 1st January, 1915, to 31st January, 1916. These reports show that the officers and men serving in Armed Yachts, Trawlers and Drifters of the Auxiliary Patrol during the period in question have carried out their duties under extremely arduous and hazardous conditions of weather and exposure to enemy attack and mines, with marked zeal, gallantry and success."

Among the officers and men whose names receive honourable mention, in connection with this announcement, for their services in vessels of the Auxiliary Patrol appears:—

Leading Seaman Thomas Purcell, R.N.R., Newfoundland, O.N. X. 1231.

The home of Thomas Purcell is at St. Philip's, Conception Bay, (generally known as Broad Cove).

More Fishery Reports

Aug. 5th. From T. McCarthy, (Reports to Seal Cove). The catch to date is 2,300 quintals, with 300 for last week. Nine traps, 16 dories, 25 skiffs and 7 boats are fishing. The trap voyage is a failure, and now practically over. There is no squid, but a fairly plentiful supply of caplin, and prospects are somewhat improved since last report.

Aug. 5th. From B. Perry, (Catalina South Head to North Head). All the traps have been taken in, but thirty dories and skiffs and 10 boats are fishing. Prospects are very poor, but there is plenty of caplin and some squid. The fishermen report that cod was never known to be so scarce at this season of the year. The total catch is 5,600 quintals, and for last week, 100.

Aug. 5th. From R. Brown, (Upper Amherst Cove to Cape L'Argent). Prospects were fairly good on the inside grounds the last few days, and many of these small boats had from 1 1/2 to 2 qts. There was plenty of squid when the grounds were tried last, but nothing was done these few days owing to the storm. The damage to traps and boats was not so great as expected. There is a very good sign of cod coming out the Bay, but nothing on the offer grounds. The men are hoping for fine weather with which the hook and liners would probably get a fair catch, though the season is so far advanced. About 100 traps, 281 dories and skiffs, and 9 row and motor boats are fishing. The catch is 12,300 qts., with 800 for last week.

Aug. 5th. From J. Gosse, (Spaniard's Bay to Upper Island Cove). Owing to the gale and the storm tide running, many of the traps were torn up and all have now been taken in. Sixty-two skiffs are fishing, and the catch is 1910 qts., with 15 for last week. Hook and liners and trawlmen are doing very little. Squid have made their appearance, but not in sufficient quantity for bait.

Aug. 5th. From W. Chambers, (Hr. Buffett to Brine's Island). Twenty dories and skiffs and 16 boats are fishing. It is impossible to do much owing to the presence of dogfish. Squid is plentiful, but operations are hindered by rough weather. The catch to date is 2,250 qts., and for last week 50.

C.L.B. Lads At Topsail

The Camp of the Church Lads' Brigade this year has been undoubtedly the best and most enjoyable of its history, and ever since they pitched their tents at Topsail they have enjoyed to the full every inch of camp life. The weather, fair or foul, did not affect those young Newfoundland soldiers in the making and they enjoyed the treat of the concert &c. of yesterday possibly best of all. The field sports could not be held and instead a concert was given the lads in the large mess tent provided for them.

The prizes for the Sports were all generously provided by Mr. John West of New York. Officers present were: Captain Lindsay, commanding Bell Island Company, (Orderly Officer); Major R. F. Goodridge, Captain G. R. Williams, Quartermaster, Lieut. Avalon Goodridge, Camp Adjutant; Lieuts. R. G. Ash and A. S. Lewis, Paymaster, and Sergt. Majors Lush and Miles. Camp routine is as follows:—6.15 a.m., Reveille, Wash Parade; 6.45 a.m., cocoa and biscuits; 7.45 a.m., fatigue duty; 8 a.m., Colours hoisted, and salute; 9 a.m., breakfast; 9.30, Roll Call; 10 a.m., Guard Mounted; 10.30, Camp inspection and Company's parade; 12 noon, bathing parade; 1 p.m., dinner; 2.30 parade, or general leave; 5 p.m., Roll Call; 5.30 tea; 6.30, leave; 7 p.m., Retreat, lowering Colours; 9.30, prayers and roll call; 10 p.m., Lights Out.

Yesterday afternoon a concert was held. Major Goodridge in the Chair, and the following was the programme:—(1)—Speech, Major Goodridge. (2)—Selection, Band; Song, Lance Sergt. Pottles. (3)—Song, Bandsman Kelly. (4)—Gramophone selections, Lieut. Ash.

(8)—Recitation, "The Retreat of the Jolupp Regiment," Lieut. A. S. Lewis. (9)—Mouth Organ duet, Privates Keats and Bartlett. Speech, "C.L.B. Camp Life in England," Lieut. A. S. Lewis. (15)—Song, Lance Sergt. Pottles. (16)—Song, National Anthem.

The National Anthem concluded a most enjoyable afternoon. After tea a dance in the Orange Hall, Topsail, organized by the W.O. and N.C.O.'s, Mess was held till midnight. During the afternoon a football match, the result of a challenge from the officers' Mess to the W. O. Mess, resulted in the challenging team meeting their Waterloo, when five goals to nil were scored against them. Lieut. Lewis, Paymaster, the Major, and Rev. H. L. Pike were the stars of the Officers' Mess, and "King" Bursell, (Quartermaster's Department) and Sergt. Major Miles were the shining lights of the W. O. team; whilst Sgt. Major Lush played a heroic game as goal-keeper. Very few visitors were present, amongst whom were Lieut. Joe Snow, (ex-C.L.B.), Lieut. Reeves, Sergt. Major Murcell, Sergeant Byrne, Private Chafe, Sergt. Instructor Noseworthy of the Newfoundland Regiment. All the lads are enjoying good health, none being ill, and the veteran C. L. B. officers say it is the best C. L. B. camp ever held since the Brigade was organized. Yesterday 85, all ranks, were on the Roll.

Went Through The Big Drive

Lance Corporal Harry Mott Rowe, of Cabot Street, is one of our brave young lads who went through the whole of the big drive of July 1st, without a scratch. In a touching letter to his mother he tells how he pulled through the terrible ordeal, but expresses his sincere sorrow for so many of the brave comrades who fell beside him, some, never alas, to rise no more, on the ensanguined field. He delightedly tells how proud Newfoundland should feel of her sons who have proven they can take their places with the best of the brotherhood of the Empire. After the battle our survivors, marched back into Paris and on the 14th of July were received with other British and French Regiments by President Poincare, of France. The whole population of the gay capital of La Belle France, came out and greeted their own dear boys. The mercurial but kindly people of Paris simply went wild with delight. As they marched through the stately avenues and beautiful boulevards of this magnificent city the ladies especially gave them a greeting none will forget. They literally covered them with flowers. Lance Corporal Rowe went through the Gallipoli campaign, where he was wounded, is ready for another crack at the Hun and desires to be remembered to all his chums and friends here.
