Fight or Pay!

Twelve Good Reasons Why I am Subscribing to the Bran ford Patriotic Fund to the Extent of my Ability

1. BECAUSE I wish to do "my bit," and not to let "the other fellow" do it for me. Common decency demands this much, at least, from

2. BECAUSE I owe to my country, and to the Empire of which it is a part, either to fight myself or to make it possible for others to fight in this supreme struggle.

3. BECAUSE, as a Canadian, I have up to this time enjoyed the protection and privileges of British citizenship, and have never before been called upon to assist in the defence of the Empire.

4. BECAUSE I paid no war tax previous to last year. My Mother Country has borne the full burden of my protection alone.

5. BECAUSE I desire Great Britain to realize in this hour of trial that every Canadian is faithfully supporting and loyally upholding her 6. BECAUSE in this war the cause of our cause.

Empire is a righteous one. It is a necessary struggle for Truth, Liberty, the Sacredness of Treaties and the Given Word, of Democracy against Autocracy, for the supremacy of British Ideals or Prussian Militarism.

7. BECAUSE, though I cannot go myself, I can help to make it possible for others to go by guaranteeing that their families will be provided for in their absence.

8. BECAUSE every soldier who has gone from Canada is as truly my representative as the soldier who went from Brant County.

BECAUSE the object of the CANA-DIAN PATRIOTIC FUND is to make provision for ALL families of soldiers who go from Canada

to take part in this present war. 10. BECAUSE those who have enlisted and are going to the front to fight our battles are making a greater sacrifice—and their families are making a greater sacrifice—than anything which I can do at home will cost either me or my family.

11. BECAUSE I realize that if Great Britain loses in this present struggle, I will lose not only all my property and my self-respect-if I have done less than my best-but will have to whenit to the government of the conqueror, whose

ideals I ahhor. 12. BECAUSE an unparalleled crisis in the world's history calls for the greatest possible

sacrifice from all of us. I Must Do My Duty - I Must Fight or Pay A CANADIAN.
