Montreal. In its comments we then upon the plan induced to make in the interests of harmony, further says:

The elected the decision evertheless will be to confine the agitation, if any of the government, it would most prompt years of the government, the work will not constant that if the government it is of the electron of the work will be under the innerty, that if if the government and control of the work will be under the innerty to find the subject of the decision is nearly to find the work will not something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the suggestion of the work will cost something in the increased power and influence in the vicinity of \$8,000,000 and as Mr. Tarte will have be appending of it, it will give in reasonably be considered to the special state of the suggestion of the work will cost something in the increased power and influence in the animal proposition of the work will cost something in the increased power and influence in the animal proposition of the work will cost something in the increased power and influence in the animal proposition to a proposition of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something in the special position of the work will cost something

The Union Advocate desires and is bound to have no matter what it costs the country, Montreal or the

Liberal party. In order to carry out his plans of Harbor improvement Mr. Tarte will have to bring the matter before parliament as he cannot get the \$3,000,000 until it is voted by that before Mr. Dunn, son of Mr. James Dunn of Chatham, on Wednesday, the 17th before Mr. Flett went down had worked his way up to the position occurred by the employ of the Canada Eastern runway the emp

# Good Patriotic Advice.

At the opening of a Canadian Lyceum ton. The Gleaner says: NEWCASTLE DIVISION No. 45 S. of T., and Athletic Club at St. Catherines, for in the Temperance Hall every Thursday the benefit of the young men of Dean Harris' congregation as well as any others

present and delivered an address. During the course of his remarks he said:

"I am glad also that Dean Harris' intention and yours is not that the benefits of this institution should be confined to the Catholics alone, but that young men of the Catholics alone, but that young men of every other denomination are made heartily welcome here. Influences that are good for one are good for all, and all can meet together here without distinction, religious or otherwise. We should put our hand to every undertaking that is calculated to promote the life of our young country, intended, as it is, by nature to become a great and molthy power. Cana da, with her grand rivers rolling to the cost of the home of many millions of happy and prosperous people. In all we do we must keep the greatness of our country's future in view, for the true Canadian ideal is that which tends to the handed to a lawyer for collection.

Workers Hall, Derby, on the 3rd Thursday of each month at 7.30 o'clock.

Notice.

We are this week sending out a large musher of accounts to our Subscribers which we hope will be promptly responded to by them. These accounts are nearly all for very small amounts, but as there are several hundred of them, they make up quite a large amount which we need at the present time to carry on the business. All accounts not settled before Dec. 1st will be handed to a lawyer for collection.

# Local Pickups. The Premium.

The picture being presented to subscrib-Photos make the best X'mas presents. ers of the Family Herald and Weekly Rice's Railroad studio will be in town in a Star of Montreal, is creating a surprise, a sensation and a rush. We hear that the demand for the picture eclipses all popular

-The boys were skating on Ritchie's the 17th inst. Mrs. Anderson has been boom on Friday.

Born. At Athol, Mass., on Sunday, Nov. 7th, 1897

to Mr. and Mrs. Fred. Goodman, a son.

# Died. At Newcastle N. B., on Nov. 17th, after a lingering illness, ANNIE E., wife of Keith Anderson, and daughter of the late Wm. John

Genera I Intelligence

SUFFOCATED TO DEATH.

Fuller particulars of the sudden death f Rev. Father Bradley, at Cape Bald on Wednesday, show that his death was much more tragic than even the first —Cardigan Over-shoes, cheap, at Mason's.

—You will regret purchasing Christmas

was suffocated by smoke, and almost Presents now. See Mackenzie's display.

Onen first week of December.

Tuesday night the reverend father re-Hood's Pills are the favorite family cathartic, easy to take, easy to operate.

Sharp's Balsam

Shows who the person was, but we do not think anyone will do her any harm. Mr. Willard Wilson reports that he saw a man the same night and fired at him. Penhare he thought it was set on fired.

Hood's Garsaparina prove table at the head of his bed, where for a the great merit of this medicine. Get while after the day's work he was accused by Hood's.

New moon Wednesday, the 24th. First quarter Wednesday, Dec. 1st.

Hickson's sawdust pile was set on fire. Hickson's sawdust pile was set on fire. morning the servant, alarmed by the strong smell of smoke throughout the house and which she saw come from Father Bradley's room, ran and called Father Martineau, who was celebrating mass. The assistant priest entered the room, which was filled with smoke,
