MUNICIPAL PROBLEMS

The increase in the estimates of the Board of Health for this year, as prepared for the meeting held a day or two ago are another indication of the financial problems with which the City Council of this year will have to contend. There is from this Board alone an advance of a considerable sum over the amount appropriated last year and yet the Board of Health is a body which has very wide powers and which has had urgent demands made upon it for the use of money, owing to the epidemics which have been prevalent in the city. More than this it must be admitted that the wages paid to the caretakers of the isolation hospital and the conditions under which they have had to live have been of a nature that makes a greater outlay necessary if there is to be efficiency and sanitation.

In addition to this there are the increased wage lists for the other civic departments which must be considered with equal fairness and equity. The price of living has been steadily going up and there are men and women engaged by the city, and who have to bear a good appearance who are not drawing any more than day laborers. It is not just that a municipal corporation should expect men and women to work for it and under conditions that are a reflection on that municipality. A city as wealthy and as prosperous as this should give its employees good wages and salaries and in return demand the best of services. Only efficient servants should be kept but those that are employed should be decently paid.

The finance committee of last year's Council recognized this fact and before the year closed spent many hours going over the list and estimating where and what increases could be given. In fact a list was prepared which it was proposed should be passed on to the finance committee of this year for adoption if it felt disposed to take the judgment of the men who sat in the Council last year. This method was

Corns Lift Off

Doesn't hurt a bit to lift any corn or callus off with fingers.

No humbug! You truly can lift off every hard corn, soft corn or corn between the toes, as well as hardened caluses on bottom of feet without one bit of pain.

A genius in Cincinnati discovered Freezone. It is an ether compound and tiny bottles of this magic fluid can now be had at any drug store for a few cents.

Apply several drops of this Freezone upon a tender, aching corn or a callus. Instantly all soreness disappears and shortly you will find the corn or callus so shriveled and loose that you lift it off with the fingers. You feel no pain while applying Freezone or afterwards. Just think! No more corns or callus to torture you and they go without causing one twinge of pain or soreness.

Ladies! Keep a tiny bottle of Freezone on the dresser and never let a corn or callus ache twice.

adopted because any increases could in that way be included in the estimates of this year.

Whether the new Council has the list or cares to recognize it we do not know, but it proposed increases that were considered by the retiring Council as in some measure in keeping with the increased cost of living to the employees.

While the Journal feels that a strain may be put on the government of this year to meet the extra wage and salary requirements it also believes that the tax payers will not complain against giving a respectable pay to its servants. Just how all the money is to be raised is a matter for the finance committee to figure out and that committee is comprised of men who are capable of doing it, but the public at large should also appreciate that as representatives of the people the Council of 1920 has not the smoothest of paths. Under the unusual legal restrictions of this city, only certain sums can be raised by taxation and the question of how to make a little go a long way is what may puzzle the aldermanic board.

MARRIAGE OF MISS IRENE BELL TO JAMES DARLING

Miss E. Irene Bell, only daughter of the late James T. Bell and Mrs. Bell, of this city, and James Darling, youngest son of Mr. and Mrs. James Darling, of Merrittown, were married yesterday afternoon at the home of the bride's mother, 83 King street, this city, Rev. Dr. Martin officiating.  
At 4 o'clock the bridal party entered the drawing room and took their places in front of a bank of ferns and palms to the strains of the wedding music from "Lohengrin" which was played by Miss Margaret Swayze.  
The bride who was given in marriage by her mother looked charming in a wedding gown of white charmeuse, satin with overdress of georgette, pearl trimmings, bridal veil with wreath of orange blossoms. She carried a huge bouquet of bridal and sweetheart roses, her only ornament being a pearl necklace, the gift of the bridegroom.

Miss Nellie M. Fawell dressed in pale pink crepe de chene with touches of pale blue and black picture hat with ostrich trimmings attended the bride, while Eden Darling, brother of the groom, was the best man.  
After the service was over and congratulations were being extended to the happy young couple, Mrs. C. Karn sang very sweetly, "All joy be thine," and after the signing of the register Miss Swayze played very softly the wedding music from "Mendelssohn."

A buffet luncheon was served to about fifty guests by four girl friends of the bride attired in pale pink; Nellie Parnall, Inez Howes, V. Bessey and Mrs. Hibbert Neil. The bridal pair left on the 6.03 train amid showers of confetti and the

APENRADE, Schleswig, Feb. 12.—Overwhelming victory for the Danes in this zone of the Province of Schleswig, the future status of which is to be determined by the plebiscite held yesterday, is indicated by its complete returns received here. Countly districts showed large majorities for Denmark, while he voters showed larger figures than the Danish estimates.

"Go Teach All Nations Beginning at Jerusalem"

"THAT'S" it," says a critic, "beginning at Jerusalem! You should correct paganism at home before going abroad to look for it, I do not believe in Foreign Missions."  
Yet Jerusalem was not Christianized when the Apostles went to Antioch; when Philip was sent to the Ethiopian.  
**Remember This**  
The man who does not believe in Foreign Missions stands today clothed and educated because of Foreign Missions. When did English culture begin? With the visit of St. Augustine, a Foreign Missionary from Rome. Who Evangelized Rome? A Foreign Missionary named Paul, of Tarsus and Jerusalem! What if he had gone to the Ganges instead of to the Tiber?  
Certainly Canada needs more Christians, but the best way to improve our own spiritual life is to help bear the burdens of the world.

The Missions Established

Five Christian Communions in Canada—Anglican, Baptist, Congregational, Methodist and Presbyterian—have an extensive mission work abroad. They have sent overseas many devoted men and women. By their work, barriers have been broken down and in every land there is an eager call for more missions, more teachers, more doctors, more hospitals. Now, owing to the declining value of the dollar, it is necessary to double the expenditure in order even to hold the ground won. Until that is done, an advanced Missionary programme can not be undertaken.

A Mandate for Expansion

All men, who think honestly realize that the Gospel of Christ is unique in moral splendor, in spiritual force, in civilizing influence. It redeems the individual and exalts the nation. It has made the modern world of thought, of industry, of progress. It must go out over all the earth to ease international relationships, to put an end to cruelty and misery. There is free entry for the Gospel in every nation under Heaven. Lift up your heads, O ye Gates of India, and be ye lifted up, ye everlasting Doors of China and Japan and Africa, and the King of Glory shall come in.

The Call to Action

Canadians, Churchmen or non-Churchmen, you met the charges of the war with cheerfulness, since it was waged to establish righteousness in the earth. Now hear the call of the Churches for adequate means to continue by peaceful suasion the work which for four years was done by batteries and bayonets. Your Church appeals directly to you, civilized and educated by Foreign Missions of an ancient time, to meet your obligation to that same Great Cause today.
