TESTIMONY. THE

P. S. The elevator is working like a charm.

REAT interest is being manifested by farmers throughout the Island over the success of our Northwest Fife Wheat. No new introduction has attracted so much attention since we first imported White Russian Wheat from Outaric, ten years ago. A variety that will yield as well or better than White Russian and mature fully as early, beside possessing immensely superior milling qualities ought to attract attention. This is the record our Northwest Red Fife made for itself last year. THE TEST OF GROWTH IS THE BEST TEST, AND THE TESTIMONY OF THE FARMERS WHO GREW IT IS THE BEST TESTIMONY. Here are a few of the yields reported :

Wm. Heard Esq., Ch'towr, raised 70 bush. on 2 acres.

Hou. D. Ferguson, Marshfield, 240 " 8 ".

F. Bain, E-q., North River, 200 " 7 "

Chas. Palmer, Esq., Ch'town, 60 " 2 ".

John Richards, E-q. Bideford, 28 " 1 ".

S. F. Drake, Esq., Pownal, 32 " 1 ". and many others report yields equally as good. All who raised Northwest Fife last year can now sell to their neighbors at 20 to 25 cents perbushel over price of other kinds of wheat. The lading farmers and targest growers of Wheat for Seed, are already securing supplies for their spring's seeding from our new importation, and the demand promises to tar exceed the supply.

REMEMBER—All our Northwest F fe Wheat is selected by exports employed by the Canadian Pacific Railway, who know where the best wheat is to be had, and have sent us the very best procurable. Each carload is inspected by the Government Inspector at Winnipag and we had the certificates. Each bag is marked in Red letters "No. 1 Hard Red Fife Wheat from the Canadian Northwest."

For sale at our seed store and by lesding Merchants in every important business centre in P. E. Island. Price 2,50 per bag
