The Almanac of 1913 and Others.
WHITTAKER'S ALMANAC needs no introduction to the homes, business and legal firms, Government institutions and clubs of Newfoundland. Its fame is far wider and its information more general than that of any other "Annual" in the English-speaking world. The publishers have for 1913, at the suggestion and with the assistance of a large number of people outside of Great Britain, prepared The New International Whittaker, which provides information concerning every country on a uniform method, so that one may know just where to look for the particular subject or point desired. The International is a book of 500 pages, check full of accurate information, largely contributed by responsible British, Colonial and Foreign Government officials. An index of forty pages gives it additional value as a book of reference. This Almanac appeals to the intelligence of every man and woman in Nfld. Strong steel back, imitation Cairns cover, 60c.; by mail, 64c. When ordering enclose \$1.00 and receive the Whittaker Almanac, Newfoundland Year Book for 1913 and an attractive Wall Calendar, worth from 10c. to 40c. All orders filled in rotation as received.
