C. L. B. Cadets.

The armory was a very busy scene last night. Lt.-Col. Goodridge, Major Raley, M.C., Lieuts. Duke Winter, Henry, Lance and Harold Hayward, Mott, Geo. Hunt, Paymaster Lewis, Frank Miles, Perlin all busy on duty. Lieut. Duke Winter got in some fine work teaching his crackjack company some bayonet drill. A Co. is making great progress and the lads are keenly interested.

The Finance Committee are preparing a statement of their work for the next meeting and it promises, so Paymaster Lewis says, to be an interesting document. All outport companies owing balances for kit are reminded to remit promptly so as to have their names off the balance sheet.

The orderly officer for the week is Lieut. Marmaduke Winter. Duty Chaplain, Rev. Arthur Stirling of St. Mary's Parish.

The Athletic Association are arranging for a championship wrestling bout in the armory during November. The Armory gymnasium is open on Tuesdays and Thursdays for practice. All athletes of city clubs are invited to visit the Armory gymnasium on these dates for practice. They will be heartily welcomed. The competition will be arranged for various weights. There will also be a match for the championship of Newfoundland. Last night the officers had a basketball match. Major Raley's veterans, Messrs. Henry, Harold Hayward, Perlin and Fletcher vs. the N.C.O.'s Sgt. Major Rendell, Sgt. Fearon, Hooke, Stone and ewing. The officers won by three goals to one.

The following are struck off the strength for non-attendance, as per routine orders of Oct. 21: Lance Corp. Brown, Privates V. Murrin, W. Dawe, G. Eddy, A. Dawe and H. Nixon. The Long Service Medal has been awarded to Lance Corporal G. Cook. The wearing of white cap covers has been cancelled since Sept. 30th. Lieut. Hubert Rendell who joined the Battalion a few months ago, has resigned his commission.

The Old Comrades met last night and are full of vim. Arrangements were made for a hockey team, football eleven, minstrel show, and a shooting club. Lt.-Col. Goodridge, C.L.B. O.C., was present and made a happy address to the Old Comrades' Association which was received with great enthusiasm. Their next conference will be held on the 4th of November when their plans will take concrete shape.

The Anniversary Celebration Committee are busy finalising their programme. The date is November 11th. A Church Parade will be held on Sunday, Nov. 14th, with a torchlight procession and a big tea and sing-song during the week. The tables will be provided by lady friends of the brigade and any brigade friends who would like to assist with the tea tables are asked if they will kindly give their names to Com. Sgt.-Major Colton, at Messrs. C. F. Bennett & Co.'s office.

The Shannon Munn Memorial Detachment is now under the command of Rev. Lieut. Fletcher of Headquarters. Lieut. Fletcher is one of the most popular officers in the Battalion and has recently received the appointment of Superintendent of the Shannon Munn Orphanage. He is thoroughly trained in brigade drill and will be a great acquisition to the institution. He and Mrs. Fletcher have already gone into residence

there in the superintendent's quarters. The detachment drills Tuesday and Friday, and have recently been kitted. They also have had sent in a new supply of rifles and the lads are well pleased in consequence.

The officers met on Tuesday evening in their mess room and the President was in the chair with a good attendance. The reports of various committees were received and discussed, including the wearing of kit by the lads of C Co, during school and after school hours. Since last meeting a brother officer in the person of Lieut. James Pittman, officer commanding Shannon Munn Orphanage detachment has answered the Great Roll Call. The late Lieut. Pittman was a war veteran and did yeoman service with the Royal Nfld. Regiment in Flanders fields, was wounded and severely injured which affected his system so badly that he was a sufferer ever since, and it has resulted in his death at Camp Hill Hospital, Halifax, where he had gone some weeks ago in search of special treatment. Lieut. Pittman was a man of retiring disposition, devoted to his church, the brigade and the orphan boys amongst whom his last few months of life was spent. A resolution of condolence is being prepared by Lt.-Col. Goodridge and Rev. Jacob Brinton, Battalion Chaplain, and will be sent to his aged father, Mr. Samuel Pittman, of New Perlican, who has the Brigade's sincerest sympathy. The funeral took place at New Perlican last Monday, and the Brigade lads, under Major Anderson, of Heart's Content, marched three miles to pay their respects to a war hero and a gallant officer. "After life's fitful fever he sleeps well."

The Brigade School is still active. Last night Lieut. Geo. Hunt was in sole charge, Lieut. Perlin being on duty with the recruits, and Lieut. Emerson, presiding officer, and Lieut. Ash, B.C., being absent on leave. The scholars are keenly interested, but the school can accommodate some twenty more pupils, and any lads wishing to learn the rudiments can join without fees. The school meets Tuesdays and Thursdays. A few nights ago the lads were given a short address by Major Williams on a most interesting topic, and President Emerson is arranging for a course of lectures on educational and other subjects during the winter season.—Q.

Sordello Swept by Seas.

Owing to very heavy seas the schr. Sordello, which left here on Wednesday with a full cargo of hard pine for the A.N.D. Co. at Botwood, was obliged to put back and yesterday at noon reached port again. Getting as far as Cape St. Francis the seas swept the Sordello fore and aft, making it very difficult for the crew to get about the decks. The vessel will remain in port until the weather moderates.

Dominion Sports Night.

The Dominion Sports night under the management of the Cadet Boat Club promises to be the best event of its kind ever run off in the city.

The competition between the various colleges is certainly a splendid idea of stimulating the interest among the boys of the colleges to put their Alma Mater in the running for the Cup so kindly presented by His Excellency the Governor. This will be an annual affair and all feel sure it will be successful when in the hands of such an energetic Committee as the Boat Club.

There will be two very interesting races between the various schools of the city and we take the liberty of suggesting that the boys of the City Orphanage be allowed to compete as they are only school boys and it gives the spectators a chance to see what they can do.

The Committee intend to have the track measured properly and to keep a record of the events for future reference.

President P. F. Collins says there will be nothing left undone to make Dominion Sports' night the biggest sporting event of the season, and also to have it an annual affair. The secretary, Mr. J. M. Tobin will give the intending competitors any information they require.

Spencer College Club.

PRESENTATION TO PRESIDENT.

Wednesday afternoon at 5 p.m., in Bishop Spencer College rooms, at an emergency meeting of the Spencer Club, the members welcomed home their President, Mrs. Alan Fraser, nee Miss Stirling, formerly Superintendent of the School, who has recently been married and had just returned from a honeymoon trip to Canadian cities. A feature of the pleasing function was the presentation of a silver tea kettle and a purse of gold from her associates of the Spencer Club. The kettle was neatly engraved with the words, "Presented by Spencer Club, 1920," and was a gem of the silversmiths art. The presentation was made on behalf of the members in a neat speech by the Vice-President, Mrs. G. R. Williams, to which Mrs. Fraser replied. The gift was a great surprise to the President, who very gratefully acknowledged the souvenir. After the function, arrangements were finalized for the Spencer Club sale, taking place Saturday afternoon in the Spencer College Assembly Hall at 2.30 o'clock, when Mrs. Fraser, who is the Club's executive officer, will gladly welcome all friends. The tables will be provided over by the following ladies:—Pantry—Mrs. S. Bursell and Mrs. Baird. Candy Stall—Mrs. M. Noseworthy. Work Table—Mrs. MacGregor and Miss Findlater. Ice Cream Booth—Mrs. Fred Stirling, Misses Pearce and E. Stirling. Vegetable Sale—Mrs. Geo. Williams. Mrs. Samuel Thompson, Mrs. Edwin LeMessurier, Misses Calver and Coaker, whilst the wants of the patrons of the tea tables will be catered to by Mrs. Fred Mers, Misses S. Carter, E. House, Steele, Furneaux and the staff of Spencer College. The sale will likely close at 8.30 p.m. The object is to raise funds in aid of necessary furnishings of the alma mater of the older girls of Spencer Club, and we wish the ladies every success. Teas will be served during the evening and the Spencer Club will be glad to serve tea at 6 p.m. to the old boys of Field College or any other college, who would like to assist a good cause by being present in person.

Fishermen! Watch the Game.

Editor Evening Telegram.

Dear Sir.—When the price of fish at buying time is low, and there is little competition, and the price at selling time is high or good, the fish exporter—the merchant—makes high profits. Coaker's regulations have helped to make prices unduly low in their buying time, but the Advocate states that prices abroad will be good at Lent. The fisherman must sell now. The merchant will sell later on. The chances are that the exporters will make a pot of money. Is that why they have suddenly been converted to Coaker's support? He, too, is a merchant-exporter now. Has he been able to make the merchant see that he and they are in the same boat?

Last fall, when buying and selling was unregulated, and competition was keen, local prices were high. The fisherman did well, and the merchant-exporter did badly later on. This fall, this is reversed, and the exporter looks to make up next spring what he lost last spring. Without regulations, the fishermen did well, the merchant badly. With regulations the fishermen do badly, and the merchant looks to do well. Coaker has been able to convince a portion of Water Street that he is their friend—one of themselves in fact. They are seeing what they believe is a great light. How soon will the fishermen also wake up to the new condition of affairs?

Yours truly, FISHERMAN.

Pauper Certificates.

Editor Evening Telegram.

Dear Sir.—According to notice in the press, I see that a date has been fixed, Jan. 1st, 1921, to complete the process of pauperisation of the wage earners of Newfoundland. If after struggling through an era of high prices and unsettled trade conditions, workers in this country require admission to the General Hospital for medical treatment for any of their family or themselves, they will have the glorious privilege of receiving, on applying to the relieving officer of their district, a pauper's certificate entitling them to admission to that institution. Shades of Demos, what are we coming to? In an age like the present that insistently calls for a multiplication of free medical facilities, not a curtailment of existing ones, and in a country where so many heroic sons of the working class have given their lives to keep the world free for Democracy, that such an anti-democratic change should be made and the notice of the change worded in such a manner as to insult every self-respecting wage earner in the Dominion. The press has as yet made no comment upon the matter, but I hope the subject will be fully discussed before such a drastic change is actually allowed to take place, and that able pens than mine will advocate the cause of free medical facilities for those who need them without pauperisation.

Yours truly, DEMOCRAT.

An Experiment That Failed.

Lord Rawlinson, the new Commander-in-Chief in India, tells an amusing story apropos of an experiment he once made with a view to testing the reliability of a spoken message passed along from one man to another.

Two hundred men (says Lord Rawlinson) were strung out at two paces interval. Then I gave out a message to my adjutant, telling him to impart it verbally to the man at the head of the line for transmission to me at the end of it. This was the message: "We are going to advance. Can you send us reinforcements?"

When it was delivered to me some forty seconds later by the last man in the line it was like this:

"We are going to a dance. Can you lend us three and fourpence?"

—why?
