Willo Cherry Balsam.—The memory of Dr. Wistar is embalmed in the hearts of thousands whom his Balsam of Wild Cherry has cured of coughs, colds, consumption, or some other form of Pulmonary disease. It is now over forty years since this pregration was brought before the public, and yet the demand for it is constantly increasing.

fore the public, and yet the demand for it is constantly increasing.

Mr Fellows is daily in receipt of letters of enquiry, from various parts, respecting its Syrup of Hypophosphites. One rehently received, leads to the belief that che public mistake his meaning in reference to its effect in imparting superior energy to the mind. Where the intellect chas been impaired by overwork or by kindred causes, the use of the Syrup, together with proper precaution in the use of food, clothing exercise and rest, will restore full power to the brain and nerves Superiority in genius cansists in great capcity of brain for assimilating materia from every quarter, and of developing in proportion, but as by far the greater number are not well endowed by nature, consequently lacking this capacity, it would be quite impossible fo find cranium space for material necessary to constitute the brilliant genius. Hence, although the Syrup will assist in restoring the mind which is lost, it cannot change a natural born idiot into an intelligent man.

The Cornwall Manufacturing Company have pleasure in intimating the complete rectoration of their works at Cornwall which are now in full operation, producing large quantities of White and Grey Blankets, and Heavy Medium Class Tweeds.

They regret, however, having again to call attention of the public to the continuance of the disreputable practice of importing English Blankets and selling them as Canadian. These Blankets are made largely of Shoddy and Cotton Waste, with a small percentage of pure Wool, and though sightly in appearance, closely imitating the Cornwall Blankets, and bickets "Ganadian Manufac-

which can be cured by a timely resort to this stand-ard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it sel-dom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Sore-ness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
