*You have a bad cold!*

Then listen! Cold attacks the lungs and the breathing passages. To cure it you need to get at these organs direct. Ordinary cough mixtures and syrups do not touch the lungs, but go direct to your stomach, which is not ailing. Peps, on the contrary, go direct to the very seat of the trouble. Peps are tablets containing essential and medicinal ingredients so prepared that when placed upon the tongue they immediately turn into vapor, and are breathed down the inflamed air passages to the lungs direct.

Peps medicine takes the form of healing vapor, and cures colds, coughs, bronchitis and lung troubles, just as living in Pine woods and breathing Pine-laden air prevents consumption and cures chest weakness. Tightness across the chest, pain between the shoulders, hacking cough, sore throat, asthma and bronchitis are the ailments which in particular, Peps have been designed to cure. Peps will soon end your bad cold.

A fatal accident was narrowly averted last Thursday afternoon when No. 2 Wabash express, struck the big motor truck owned by the Canadian Milk Products Co., Limited, of Brownsville at Donaldson's crossing. The truck, which was driven by Chas. Hower, was approaching the crossing

and was quite close to it when the train was first sighted. The driver put on speed in an endeavor to get across the track while his assistant jumped. The truck was over all right, but the train struck the trailer attached to the truck and was completely demolished. The trailer contained 100 lb. cans of milk which were scattered in all directions while the cow-catcher of the engine was torn loose and had to be removed.

Mrs. W. Courtney and Miss C. Berry attended the A. M. S. convention at St. Thomas last Thursday.

The concert given in the Town Hall by the North Hall Dramatic Club delighted a capacity audience. The progress was of sufficient variety to please all tastes and served to bring out the remarkable talents of each individual member of the clever little company. Particularly was the presentation of the musical operetta "The Fruit of his Folly" presented. Several musical violin selections were given by Frank Middleton, assisted by Mrs. G. Anger, the organist. The readings by Mrs. George Pressey, of Corinth were greatly enjoyed. Will Beattie delighted the audiences with his clever comic songs. Several other musical selections were given by local talent and were much appreciated.

Another delightful feature of the program was the rendering of three solos by Miss Ella Middleton, of St. Thomas who was heartily encouraged. Altogether the concert was very successful and much enjoyed. The proceeds will be used for the North Hall Sunday School.

Fond parents dream of a bright future for their children.

They dream of the literary and musical education they are going to give their daughter, and of the high position she will take in her sphere of womanhood.

They dream of the education they are going to give their son and vision him some day as a clergyman, a famous lawyer, an eminent physician, a prominent financier, or a captain of industry.

But to make these dreams come true

—or even partly true—requires foresight, planning and money.

To provide the money what plan so wise as to buy Victory Bonds for each child?

Thousands of parents bought Victory Bonds for their children in 1917 and 1918.

Surely you will be among the thousands of loving parents who will buy Victory Bonds for their children—this year?

Victory Bonds may be bought on instalments at such easy terms that every parent who so wishes may buy.
