## POLITICAL NOTES.

The Liberals of Antigonish have selected Colin Melrose, M.P.P., to contest the seat lately held by Sir John Thompson.

The District Liberal Association of West Algoma met Saturday at Fort William and re-nominated the old member, Mr. James Connors. No other name was mentioned. The different local associations throughout the riding have all passed strong resolutions of confidence in Mr. Connors.

## Words of Wisdom.

## Do Not Use Medicine for the Baby; Pure Lactated Food is the Best.

Dear mother, is your child ailing? Is it getting thin and weak, and decreasing in weight? If it is, be assured the trouble is with its present diet—its food of nourishment or food is sadly lacking in transforming and flesh-producing elements.

Your child requires not medicine, but a health-giving diet to build it up. Pure Lactated Food does the good work, in a way that no other agency can accomplish, and hundreds testify to this effect every month. A father, who has seen the happy results given by Lactated Food, writes as follows:

"We commenced using Lactated Food for our baby two months ago. He then weighed twelve and one-half pounds, and was four months old, having but very little life or activity. I think we were starving him, as we could not find any food that would agree with him. We had tried fully half a dozen different prepared foods. Our baby was fast losing in flesh, and at last my wife took him to Dr. — who prescribed Lactated Food. He gained eight and one-half pounds in less than two months, and now weighs 21 pounds, and is as lively as a cricket. This is certainly the result of using your Lactated Food."

## On a Peace Errand.

LONDON, Jan. 7.—A dispatch from Peking to the Central News says Chang Yin Yoon, Chinese peace envoy to Japan, started for Tokyo today.

## Sicily Shaking.

ROME, Jan. 7.—Heavy earthquakes continue to shake Sicily. The roofs of the church and hospital at Spadolara, San Martino, Province of Messina, were demolished this morning. Losses of property are reported from several other towns.

## The Injured Toronto Firemen.

TORONTO, Jan. 7.—The five firemen who were injured at yesterday morning's disastrous fire here, are all doing well, and will probably recover.

The funeral of Robert Bowery, the fireman who was killed yesterday, will take place tomorrow afternoon.

## After the Fire.

TORONTO, Jan. 7.—The walls of the Globe and McKinnon buildings are in a dangerous state and will have to be pulled down. Today the safes were taken out of the buildings and were found to have preserved their contents intact. Some of the firms concerned have already recommenced their business.

As incomparably the best leavening agent now in use Dr. Price's Baking Powder has supplanted all others in popular favor.

## Fighting in Egypt.

LONDON, Jan. 7.—The Central News hears from Cairo reports of serious fighting in the vicinity of Kassala continue persistently. The Italians, under Gen. Baratieri, are said to have defeated 15,000 Mahdists, although they sustained heavy losses. No confirmation of this account can be obtained. It is stated that Egypt contemplates helping the Italians by making a strong attack upon Dongola.

Dr. Dunnigan, of Buffalo, died on Sunday of diphtheria. Anti-toxine failed to cure him.

## PICKING COTTON.

When picking cotton, don't pick the worst because of its cheapness. Poor stuff is never cheap. Get the best though it cost a cent or two a yard extra. Probably experience has taught you this. We offer this week our large stock of high grade cottons at prices that will
