Portuguese Force Meets With Disaster.

Fifteen Officers Were Among the Killed and Wounded-109 Men Are Missing.

Lisbon, Oct. 6. - The Minister of Marine announced in the chamber today that a detachment of Portuguese troops, belonging to a column operating in Portuguese West Africa against the Cuanhamas, was surprised by the tribesmen while crossing the Cunene River. The detachment, which numbered 499 officers and men, lost 254 killed, including 15 officers, and 50

It is officially announced that Germany will put 8,000 European troops in the field against the Herreros, in German Southwest Africa, who are neighbors of the Cuanhamas. Both tribes are established in the Cunen district. The Cunen River forms the houndary between German and Portu-

guese Southwest Africa. The Portuguese force included 255 Europeans, of whom 109 are missing. The force was ambushed at night. The Government is considering the organization of a force of 5,000 men to suppress the Cuanhamas, and will dispatch warships to strengthen the Angola naval division.

Boston, Oct. 6 .- At the International Peace Congress Secretary Trublood read a message from Sir Thomas Barclay, in which Sir Thomas said: "The next greatest step taken in the history of international relations will, I expect, SURPRISED BY THE TRIBESMEN be a treaty of arbitration between Great Britain and America."

Dr. W. Evans Darby, of England, presented a report of the committee on questions of the day of the Russo-Japanese war, in the form of resolu-tions calling upon the congress to appeal for an ending of the war. The resolution suggested that the congress address to the Emperors of Russia and Japan an earnest appeal, entreating them, either by direct negotiations or by having recourse to the friendly offices of some neutral power or powers, to put an end to the awful slaughter of their subjects now going on. It passed with one or two dissenting
