the city auditor, at the request of the assessment commissioner, examination of such books of account balance sheets and other audit as may be necessary to prove the correctness, was referred to No. 4 committee. How best to meet the unemployed situation in the city at the present time is engaging the deep attention of city especially the mayor an board of control.

A rather unique suggestion was made to Mayor Stevenson this morning. It was that as there is a great demand rankly, and were as altogether undefor workmen in Great Britain just now especially in the larger manufacturing centres, the men in the city who so desire be sent to the homeland to take places left vacant by workmen there who have gone to the front. Mayor Stevenson, in this regard, said the idea was certainly worthy of

weighty consideration, and that th matter would be brought up before th councillors at an early meeting.

To Provide Work Council Last Night,

Say Alderman Lerner Does Not Know What He Is Talking About.

Garbage men employed by the city are somewhat exercised following re- to co-operate it in financing civic procent assertions of Alderman Max Lermost important one, similar to the Dreyfus case in France. A man's reputation is at stake, he said, and the council should in British fair play, see that he gets justice.

The case had developed into a ner. His remarks, which had to do for the city could be undertaken at a time when the employment would be most opportune for the men.

Civic Contracts.

E. J. Clark urged the council to go
