

Come to Church Tomorrow

"YES, I know all the excuses. I know that one can worship the Creator in a grove of trees or by a running brook, or in a man's own house, just as well as in a church. But I also know as a matter of cold fact the average man does not thus worship."

Here are a few benefits to be derived from church attendance:

"You will listen to and take part in reading some beautiful passages from the Bible. And if you are not familiar with the Bible, you have suffered loss."

"You will take part in singing some good hymns."

"You will meet and nod or speak to good neighbors. You will come away feeling a little more charitably inclined toward

all the world, even toward those excessively foolish young men who regard church-going as a soft performance."

"Join in church work for the sake of showing your faith in your works."

Make your start in church service tomorrow. A fair trial of church attendance will convince you it's well worth while.

Bible Students Oppose War

(Adopted by the International Bible Students Association in convention at Cedar Point, Ohio.)

THE International Bible Students Association in convention assembled deem it a duty and privilege to send this message to the nations of earth.

As a body of Christians, consecrated to obey and follow our Lord and Saviour Jesus Christ, we are opposed to engaging in war, revolution, anarchy, or violence in any form; and we are opposed to fraud and deception being practised upon the people by the misrepresentation of the Word of God or otherwise. We earnestly desire peace, prosperity and the blessing of the people with life, liberty and happiness; and we hold that the only means by which this can be accomplished is by and through the reign of Christ.

In the light of the Word of God and particularly of fulfilled prophecy, we submit the following as a true statement of the facts relating to present conditions:

1. That the rulers of earth have frequently boasted that the world was fought to make the world safe for democracy, which claim has proven to be a delusion and a snare.

2. That the international conferences at Paris, Washington, Genoa and The Hague, participated in by the financiers and statesmen and approved by the denominational clergy of the world, held for the purpose, as announced, of establishing peace on earth, have failed to bring forth the desired result.

3. That all of the nations of earth are now in distress and perplexity as the end foretold that they would be at this time, and that the entire social and political structure is threatened with complete dissolution; and the leading statesmen and rulers of the earth being aware of this fact and of their inability to establish peace and prosperity, are frantically calling upon the denominational churches to save the world from disaster.

4. That it is the desire of all the nations and people of earth that they might dwell in peace and enjoy life, liberty and happiness.

5. That the people are being misled by those who are attempting to bring about this desire through international conferences and agreements in the form of the League of Nations and like compacts.

We therefore call upon the nations of earth, their rulers and leaders, and upon all the churches of all the denominational churches of earth, their followers and allies, big business and big politicians, to bring forth their proof in justification of the position taken by them that they can establish peace and prosperity on earth and bring happiness to the people; and their failing in this, we call upon them to give offer as witnesses for the Lord, and then let them say whether or not our testimony is true.

Relying upon the Word of God and his providential dealings with mankind through Christ Jesus, we, as his witnesses, hold and testify as follows:—

1. That the world war came in 1914 and was followed by great famines, pestilences and revolutions in various parts of the earth exactly as foretold by the Lord.

2. That 1914 marked the legal ending of the old world and there Christ, the rightful King, took unto himself his power as king.

3. That the Lord Jesus Christ is now present, invisible to man, and proceeding with the work of establishing his kingdom, for which kingdom he taught his followers to pray.

4. That Satan, long the god of this world, has deceived the statesmen, financiers, and the clergy, by inducing them to believe that by international agreement or other combined efforts they can bring the desire of all nations.

5. That all of the world's present organization constitutes the visible part of Satan's empire or organization, and that Satan's empire must now fall.

PRaises OTTAWA-PRESCOTT ROAD

OTTAWA, Sept. 22.—That the Ottawa-Prescott highway was the best road in Canada over which he had ever traveled, was the statement of J. Cummings of British Columbia, who arrived in this city today after having motored from Seattle, Wash.

Mr. Cummings was accompanied by his wife and little son.

Beatty Would Not Load Naval Guns With Shot

WOULD Admiral Beatty permit the six-inch projectile for a naval gun to be replaced by its equivalent weight in bird shot? Nothing could result but waste. The effect is the same when an advertising appropriation is divided into nickles and blown against the map of Canada through media of general circulation.

When you attack a certain market in Canada you must hit the bullseye. The daily newspapers in that market are your high power guns. Your own advertising is the projectile. Your salesmen, samplers, distributors, advance under the barrage. Successful merchandising manufacturers know how to make their products a household word.

Mr. W. M. MacKay of Lever Bros., Ltd., has written: "When we inform you that the greater part of our advertising expenditure, year by year, has been in the newspaper, that is the best answer as to the suitability of the press in Canada as one of the best means of advertising any household or other commodity."

The circulation of the daily newspaper in our territory links your product with our merchants and retailers of sound reputation in the eyes of our readers. You can train all your guns on this target and use no powder elsewhere until you need to advance your line in other directions.

Issued by the Canadian Daily Newspapers Association, Toronto.
