PORT STANLEY CHURCH PLANS FOR MEN'S CLUB

Christ church parish room, Port Stanley, was the scene of a picturesque gathering last evening, when all the men gathered together for a smoker and discussed the possibili-ties of a men's club.

This being the first meeting, there

was not enough representation to elect the officers, but this will take place at the next meeting, Wednes-day, Oct. 22.

H. M. Ellison, a prominent member

of the church, who attended a recent meeting of St. John's Anglican men's club, St. Thomas, said that men who were never interested in church af-fairs before had become enthusiasts

of the church through this club.

It was decided to journey to differ ent parishes in the deanery during the winter months and enjoy an evening with the men's clubs of Aylmer, St. Thomas, Yarmouth Heights, Tyrconnel, Dutton and West Lorne, when games and addresses from prominent men would comprise the entertainment.

MISSIONARY MEETING.

Special to The Advertiser.
Delaware, Cct. 13.—The young people's league meeting at Komoka took the form of a missionary service. Preparations for a special program had been made and as a result a large number of friends were in at-tendance. The accident which took place earlier in the day in which eight young people from the village had met with serious injury, had cast a gloom over the crowd, yet it was a good service. Solos, trios and choruses were rendered. Readings and other items gave much missionary in-formation. Mr. Hamlin of Lambeth gave an address on the work of the missionary society of the Methodist church during the past one hundred years in this locality of Komoka. Mr. Bignell presided with acceptance.
The league is making preparations
for a social evening on Oct. 31, when
a dime concert will be given by local

IF YOU ARE NOT WELL HERE IS YOUR KEY TO HEALTH!

Hattonford, Alta.—"Being rundown after the 'flu' I was in a weakened condition, had dizzy spells and shortness of breath, followed by faintness. The middle age period made things seem as though I'd never feel well again, but I was determined not to give up. Hearing of Dr. Pierce's famous Golden Medical Discovery I sent for a bottle, followed the directions, and soon felt less tired and fairly and finelly. Less these tests and faint, and finally I got back to my normal state. I have thanked God many times for the restoration of my health so I could remain with my family, and I gladly recommend this Discovery of Dr. Pierce's, for it is so pure, and worth a trial to any one who is rundown."—Mrs. Gertrude White, Crystal Springs Farm.
