GOOD HOCKEY AT CHATHAM GAME FRIDAY.

Both Teams Put Up Clean
Fast Game Chatham
Victorious.

SCORE—7-4.

The Campbellton hockey team went to Chatham on Friday and enjoyed the trip very much. They were beaten, but put up a good fight. A Chatham scout says:

In the fastest match seen on the North Shore in years, Chatham's hockey team defeated Campbellton 7 to 4, in the first of a series of games for the championship of the North Shore. Playing would have done credit to any provincial league. It was fast at all times and shifted with lightning-like rapidity from end to end.

Campbellton had the advantage of weight, but Chatham played a combination, that sent its supporters into frantic enthusiasm and gave it the victory. The play was clean and only three accidents marked the game. Campbellton scored the first two goals, which Chatham covered in a few minutes, and then amid frantic cheering Godfrey put Chatham in the lead. From time to time they were never headed. Bernier, Smyth, Godfrey, Watson and Chatham played exceptionally good games for Chatham, while Sheridan, Keith and O'Keefe showed up best on Campbellton's line. The line-up was:

Campbellton	Chatham
Goal: Patterson	Goal: Godfrey
Point: Mowatt	Point: Watson
Woods: O'Keefe	Woods: Bernier
Godfrey: Rover	Godfrey: Keith
Smith: Watson	Smith: Sheridan
Best: Ferguson	Best: O'Keefe
Right Wing: Savidant	Right Wing: Watson
Left Wing: Keith	Left Wing: Bernier

Chatham will probably play in Campbellton on Wednesday night.

The boys are land in their practice or the good time given them by the Chatham team. In the afternoon they enjoyed a drive about the town. On arrival they had some difficulty in getting in at the Touraine Hotel, as previous hockey players had created a disturbance there, but on presenting the good they were assigned rooms.

On leaving, the proprietor, P. Archer, thanked them for the gentlemanly manner in which they had conducted themselves, and inviting them to return.

TRUSTED CLERK TOOK MEI'S PAY

Gave Out Sensational Story of
Being Strangled and Money
Taken From Safe.

FOUND UNDER DESK.

ST. JOHN, Feb. 22.—Yesterday C. R. Sims & Co.'s office was robbed of \$1200, the pay roll of the factory hands. At the time of the supposed robbery the billing clerk was alone in the office and when later found by some workmen was lying on the floor unconscious. Upon being revived he told that while sitting at his desk he had been seized from behind, choked into insensibility and the money taken.

The sensational story of the alleged robbery of \$1200 at the office of the C. R. Sims Company, brush manufacturers yesterday at noon had an equal sensational sequel last night when the money was found in a box under the desk of W. H. Downey, the billing clerk. The discovery was promptly followed by Downey's arrest in his home.

HAWKING MACHINES
Cataract Sufferers are Nothing But
Hawking Spitting and Blowing
Machines, Says an Authority

It is possible that in three days when the winter and sanitary reform is being observed in churches, schools and at public gatherings, the thousands of people will continue to suffer from cataract when there is an abundance of certain remedy always on hand.

Hyaline (transparent) High-oil is a pleasant, tasteless and antiseptic air. Breathe it in and it will cure cataract. It will stop nasal breath, watery eyes and crusts in the nose in a few days.

Mrs. H. W. Wilson, of Johnson St., Wallaceport, Ont., says: "Yes we are great friends to Hyaline for the reason

NEW CARLISLE

It is now quite a long time since anybody has heard from our busy little town, so I will endeavor to send you a few notes after a long absence.

Mr. and Mrs. J. H. Kelly have returned from a two weeks' visit to New York. They report having had a good time.

Mr. R. N. LeBlanc and Joseph Beale of Bonaventure, visited New Carlisle on Friday.

Mr. H. Robichaud, of Caplin, and John Mouton of L'Anse aux Gascons, were in town on business Saturday.

Mrs. James Chasterton is visiting her daughter, Mrs. Flanders in Marbleton.

Miss Ethel Anderson of visiting relatives and friends in Campbellton.

Mr. and Mrs. W. P. Ramier of Shigawake, paid New Carlisle a short visit on Saturday.

Mr. and Mrs. George Lebrun are spending the winter with Mr. J. A. Lebrun.

Miss Nettie Cole, who has been in Campbellton for the past two months is visiting her sister, Mrs. Geo. Duncan.

Mr. Haswell Chisholm is home again to spend the winter here. Mr. Chisholm has been engaged for a long time in New York.

Rev. E. A. Dunn has left for a business trip down the coast.

J. P. Boudart was in New Carlisle on Friday as a business trip.

An old-fashioned easterly snowstorm started in suddenly Saturday afternoon and continued all evening without doing any damage.

Miss Carrie McRae of Campbellton is visiting her aunt, Mrs. Burleigh in New York.

We are pleased to hear that Mr. G. L. Gifford has recovered after a lingering illness.

Mr. J. Patterson of Trail, B. C., is visiting her parents and intends remaining the winter here.

Mr. Wm. Walker and family, who have been living in Port Daniel, have removed to New Carlisle. Mr. Walker is now in the New Canadian Company's office.

Mrs. Clark of Newport, is visiting her parents, Mr. and Mrs. Philip LeBlanc.

A. Auger of the city of Quebec, is here attending the sitting of the court.

**BRIGHT YOUNG MAN
DIED AT MONTREAL**

Harold Muirhead, Who Went to the Hospital at Montreal Died Last Friday Night

The news of the death of Master Harold Muirhead was received here Saturday, the little fellow having passed away Friday night at a Montreal hospital, where he had been taken by his mother to undergo an operation for suppurated tonsils. For some days after the operation he was reported very weak, and little hope of his recovery was expressed, but later news was more encouraging, but on Friday a change for the worse came and he passed away at midnight. He was a bright little boy, very popular with his classmates, who were deeply grieved to learn of his death. The remains, accompanied by Mrs. Muirhead, arrived here Monday morning.

The funeral was held from his late home this afternoon at 3 o'clock, and was largely attended. Interment being in the rural cemetery.

boarding house. Downey when put under arrest made no statement, but during the afternoon and before the money had been found he told a most circumstantial story of how he had been set upon from behind and choked into insensibility and left lying alone on the floor.

The possibility of his being suspected of being an accomplice was put to Downey. "There are always people, he replied, who will say this sort of thing."

Downey is about 23 years old. He has been in the employ of the firm as billing clerk for about two years and a half. He came to St. John from Harvey, Albert county, where his family resides.

that Mr. Wilson has had catarrh for several years and tried several remedies and doctors but nothing has relieved the trouble like Hyaline. His trouble is from pain in the eyes and a burning or huskiness in his throat. Sometimes much difficulty in breathing, the glands in his nose and nose swollen and the disease made him literally sick all over. He cannot say enough in praise of Hyaline, and there is nothing that can give better relief to cataract than this remedy, which he has used with the most successful results.

A complete Hyaline outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hyaline, costs only \$1.00, and extra bottles, if afterwards needed, cost only 50 cents each. These Hyaline outfits are guaranteed to do exactly as advertised.

Hyaline also cures Asthma, Bronchitis, Coughs, Cold and Infant's Croup.

BOARD OF TRADE FAVORS ITS SELENAC

Thomson Liner Formerly On
South Shore Route
For Gaspe.

A FINE STEAMER.

A special meeting of the Board of Trade was held in the council chamber last evening. President Geo. G. McKendall in the chair.

The matter of a suitable steamer for the Campbellton-Gaspe route was discussed and a resolution passed in favor of the S. S. Selenac of the Thompson Co. St. John, as against the Canada. It was the opinion that the Selenac would be a first class boat for the route. The resolution will be forwarded to James Reid, M. P. and he will be requested to use his influence in the matter.

Other matters were discussed and a number of new members were elected on for membership.

An important meeting of the Board will be held shortly and a full attendance of members should be present.

The steamer Selenac has for some years been running on what is known as the South Shore route, St. John to N. S. Ports, but owing to railway competition and a small subsidy, the steamer has not paid, and a recent meeting of the company has decided to take her off this route.

She is a fast boat and has first class accommodations for a hundred passengers. As a good freight carrier, she is well spoken of on the route she has served. She is licensed to carry four hundred passengers.

In the estimation of those who should know, she is the best boat available for this route, and every effort should be made to convince the government awarding the owners the contract for this route.

DALHOUSIE CARNIVAL

Another most successful carnival was held in the Dalhousie rink last evening. The costumes were good. A large number went down from Campbellton.

(Special to the Graphic)

Bathurst is again suffering from a great refusal to work and the flames spread to Messrs. Holdengraber & Rosenberg's five brick building, which was gutted. J. P. McTomney's tin shop also suffered.

The fire had evidently got a good start, and was beyond control in a short time. The fire engine it is said,

ENQUIRY INTO ERNEST
RUPERT'S DEATH BEGUN

SINSENY, Feb. 22.—The enquiry into the death of young Rupert, who was found dead at Smith's Creek, commenced this morning before Colonel Pearson. There is much interest being taken in the case and owing to the number of foul play the crown was represented by Geo. W. Fowler, and Rupert's parents by F. M. Spruce, M. P. P. The evidence of Rupert's employer, Mr. Stewart, and two sons of George Graham was heard as to Rupert's progress towards the camp and the subsequent finding of the body and adjourned until this afternoon.

One P. King, who has been seriously ill, is very much better today. The patient passed a comfortable night and shows considerable improvement. Mr. King's friends in all parts of the province will learn of his improvement with pleasure.

Repeat It—Shiloh's Cure will always cure my coughs and colds.

RAILWAYS KILLED NONE

Once more, after an interval of six years, the railway has achieved the remarkable record of carrying its passengers for a whole year without the loss of a single life. The last period in which this was achieved was in the year 1901. In 1902, 5 lives were lost; in 1903, 25 lives; in 1904, 6; in 1905, 25; in 1906, 28; and in 1907, 18. As a matter of fact there has been no loss of life for fifteen months past. The relatively large number of fatalities in 1906 was mainly the result of three accidents, which were due, upon investigation, to be due entirely to the failure of the human element. All the mechanical arrangements on train and track being found perfect.

ARRESTED FOR FIGHTING

Two young men the worst bit liquor started a scrawl on Water Street Monday. They were promptly arrested and this morning fined \$8 each.

MCDUGALL WINS PULP WOOD CASE.

Accused of Stealing a quantity
of Pulp Wood
Was Arrested.

MR. KELLY'S VICTORY.

Daniel McDougall, of Tide Head, N. B., has been acquitted by the District Judge, Mr. Tremblay, at New Carlisle.

McDougall had signed a very heavy contract for the delivery of pulp wood to Auger & Son of Quebec. The contract provided that once the wood was stamped it belonged to Auger & Son. McDougall, after the wood was stamped, sold part of the wood to the Eastern Township Lumber Co., claiming that the wood had not been paid for and that he had a right to sell elsewhere.

McDougall was arrested in Campbellton on December last, and the preliminary investigation has been going on ever since with temporary postponements.

Friday morning judgment was rendered and McDougall honorably acquitted. Auger & Son were represented by the law firm of Casgrain, Rivard, Levesque & Chauveau of Quebec and Mr. McDougall by John Hall Kelly. The lawyers on both sides put up a very strong fight. McDougall returned to Campbellton Saturday. Auger & Son also took a civil action against McDougall for \$4000 in the City of Quebec. Mr. Kelly is also defending the civil action and it is quite probable that he will now enter an action of damages against Auger & Son, for a large amount, for false arrest.

**CHATHAM CURLERS WILL
BE HERE WEDNESDAY**

Six Rinks Expected From the Miramichi in the McCaffrey Cup Series

Six rinks from Chatham are expected to arrive tomorrow morning to play the local rinks in the McCaffrey trophy series and also the Junior series.

These games will be interesting and no doubt will be witnessed by a large number of spectators.

OFF ABOVE KNEE.

NEWCASTLE, Feb. 21.—John Smallwood, a well known brakeman on the Indianville branch, met with a very serious accident while engaged on his work yesterday afternoon, about five o'clock. Brakeman Smallwood was jumping off a flat car, when he slipped and fell under the wheels which passed over his right leg, badly crushing it. The injured man was removed to his home at Newcastle and about eight o'clock last evening the leg was amputated below the knee. Brakeman Smallwood is about 28 years of age and is a son of Mr. J. J. Smallwood, a well known resident of Newcastle, and his wife and two small children also reside there. The injured man was reported tonight to be doing as well as could be expected. He is a nephew of Mr. Wm. H. Smallwood, I. C. R. locomotive engineer of Montserrat.
