

TRADE AT HOME AND BUILD UP YOUR TOWN

Do YOUR part in building a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in Campbellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapping the life and strength of your community. To patronize home industries is a duty every citizen owes to himself and those he loves.

GET WISE IN TIME.

WHY not get wise in time? Why wait till it is too late? People all over the country, north, south, east and west, are getting wise to the ruinous results of out-of-town buying. THINKING people are NOW refusing to patronize out-of-town houses. Are WE going to wait until we are knocked down and run over before we "get wise"? Let us spend our time and money in building up something that is OURS. Patronage of home business means the building up of a strong industrial community of our OWN. Neglect of home business interests means the building up of a machine that will one day crush us without mercy. Let us build for ourselves and for our friends and neighbors. Let us get wise before it is TOO LATE.
