NO TRUTH IN STATEMENT
For some time a story has been
going the rounds among railway men
that at a meeting of the Board of
Trade two local business men moved
and seconded a resolution asking
the C. N. R. authorities to restrict
the passes to railway men only.
There is absolutely no foundation
for this statement. No such motion
was offered, nor was the matter even
discussed. It is also said that the
two merchants named have been
boycotted to a certain extent. This
is certainly unjust to these men.
