Total number business houses in United States is computed at 1,110,590.

The English Government has made another arrangement tending to increase the investment in consols by persons of small means. It is now announced that the holder of any amount of consols less than a thousand pounds ($5000) may arrange with the Bank of England to have his quarterly dividends on the same reinvested without trouble to himself and at a cost to him of only one penny on the pound for the interest thus invested.

The customs receipts at Toronto for January were $366,528, against $352,142 for January of last year.

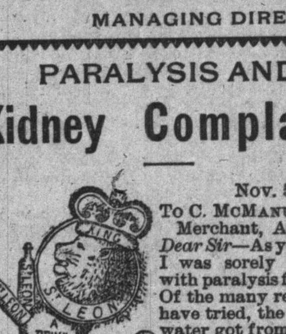
PARALYSIS AND Kidney Complaint



Nov. 5, 1890.
To C. MCMANUS, Esq., Merchant, Aultsville.
Dear Sir—As you know, I was sorely troubled with paralysis for years. Of the many remedies I have tried, the mineral water got from you (St. Leon) is head over all. I have received the greatest possible relief, from drinking the water freely, and would not be without it; also for kidney and gravel it has proved itself unequalled in my case.
