WATERY BLOOD IN THE SPRING

How to Get New Health and New Strength at This Season. Even the most robust find the winter months trying to their health. Confinement indoors, often in over-heated and nearly always badly ventilated rooms—in the house, the office, the shops and the school—taxes the vitality of even the strongest. The blood becomes thin and watery or clogged with impurities. Some people have headaches and a feeling of languor; others are low-spirited and nervous; still others have pimples and skin eruptions; while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order, and that a medicine is needed. Many people rush to purgative medicines in the spring. This is a mistake. You cannot cure these troubles with a medicine that gallops through your system and leaves you weaker still. What you need to give you health and strength in the spring is a tonic medicine that will enrich the blood and soothe the jangled nerves, and the one and always reliable tonic and blood-builder is Dr. Williams' Pink Pills. These Pills not only banish spring weakness and ill but guard you against the more serious ailments that follow, such as anaemia, nervous debility, indigestion, rheumatism and other diseases due to blood. Dr. Williams' Pink Pills actually make new, rich, red blood, which strengthens every nerve, every organ, and every part of the body, and makes weak, ailing people bright, happy and strong. Mrs. Jas. McDonald, Harcourt, N. B., says: "In my opinion Dr. Williams' Pink Pills do all that is claimed for them. My system was run down, and I was so weak I could hardly do my work, and taking care of my baby added to my difficulties. I used a few boxes of Dr. Williams' Pink Pills and they made me feel like my own self. I very cheerfully recommend the Pills to all who are weak or ailing."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The Queen's Maries.

On the occasion of the coronation of the Queen it is proposed that the Maries of Canada shall unite with their namesakes throughout the British Empire in offering a gift to Her Majesty. The Imperial Order of the Daughters of the Empire have been asked to collect for the gift in Ontario. Contributions will be received from five cents to five dollars, and may be given only by those who bear the name of Mary, May, Maria; Marian or Marie. A list of contributors will be forwarded, but not the amount given by each. The choice of the gift will be left entirely to the Queen. It is hoped that the Maries of Canada will appreciate the opportunity of showing their affectionate loyalty to Queen Mary. The list must be closed by April 20th. As the time is so short it would greatly help the Committee if all who are interested would send in contributions, with names in full, as early as possible to the Guide-Advocate office.

Entrance Exams Harder.

This year the entrance examination will be held on Monday, Tuesday and Wednesday, June 26, 27 and 28, commencing at 1.15 p. m. This is a change from previous years and allows the High School to complete the week which formerly was broken by the examination. The examination of entrance to Model Schools will be held on the same dates, as instructions have been issued to that effect. In order to prevent that over-crowding of High Schools by the admission of ill prepared pupils, the chairmen of Entrance Boards are instructed to follow exactly the ruling of the Department, 40 per cent. on each subject and a 60 per cent. total for promotion. The Educational Department has issued a circular to the chairmen of the H. S. Entrance Boards, calling for a more rigid marking of the answer papers and complaining that in the past both public and high schools have been demoralized by the passing of students quite unfit for advanced work. The report of the next examination is not to be published till the Department revises the finding of the examiners, and no students below the required standard are to be passed on trial except with the approval of the Department.

A report comes from Pt. Colborne that an 18-inch garter snake was found imbedded in a large apple. This sounds very snaky indeed, but as Pt. Colborne is a license town and the above happened on the day following St. Patrick's celebration, there is a possible chance that it really did occur.

Looking For Lambton Land.

The Lambton Publicity Association has a number of enquiries from farmers at a distance seeking to buy land in Lambton County. Those who have farms for sale will confer a favor by sending a full description to the undersigned, in order that the parties inquiring may be brought into personal touch with those who have land to sell. The price may be mentioned or not, as desired. There will be no charge or commission of any kind, and the parties furnishing descriptions are not bound in any way. The Publicity Association exists for the purpose of advertising Lambton County, and for no other purpose. It consists largely of the members of the county council, and the expense of the advertising is paid by the county. The information is wanted for the purpose of placing a list of farms in the hands of those who wish to buy, and who have written in answer to general advertisements and descriptions of Lambton which have been published in various newspapers in Canada and the United States. The description may be sent to R. Sturtevant, Petrolia, secretary of the association, or left at any newspaper office in Lambton to be forwarded. m31-31

Cochran—Bryant.

A very quiet wedding was performed at the Methodist parsonage, Strathroy, on Saturday, March 18th, when Mr. Herbert Cochran and Miss Elizabeth Bryant, were united in the holy bonds of matrimony. They took the flyer to Detroit, Chicago and other points, returning on Tuesday evening, March 21st, to the bride's home on the 5th concession of Warwick, where about a hundred friends and relatives awaited their coming. The wedding breakfast was served at five o'clock in a dainty dining room decorated in pink and white. The evening was spent in music and games. The bride and groom were the recipients of many handsome and costly presents which express the esteem in which they are held. Mr. and Mrs. Cochran then returned to their beautiful residence on the 2nd concession of Bosanquet. They have the best wisher of their many friends for their future welfare.
