The garden party held Wednesday evening under the auspices of the Kerwood branch of the Women's Institute at the home of Mr. and Mrs. A. Woods was a huge success. Mr. John Farrell, of Forest, as chairman, presided, and in his usual genial manner delighted everyone present. In his opening remarks he referred to the prosperity of Canada, and

Ontario in particular, contrasting the social conditions in the country in the old land and Canada. He also generously donated prizes for a baby show, which was not advertised on the program, the little son of Mr. and Mrs. Robert Redmond being declared the winner in a large class. As stated by the chairman, the object of the garden party was to raise funds for the building of a public hall in the village. Mr. Harry Bennett, of Toronto, the popular entertainer, excelled himself and was loudly encoored on every appearance. The efforts of Miss Belle Peace, of Strathroy, were equally as well received. The local talent was very much above the average and the excellent music of the Watford Concert Band all went to make up a program long to be remembered. A noticeable feature throughout the programme was the splendid order. The handsome verandah and grounds were beautifully decorated with flags and bunting, maple boughs and golden rod, showing great care and taste on the part of the ladies. The host and hostess left no stone unturned to make their friends feel at home and enjoy the event to the utmost. The proceeds amounted to over two hundred dollars and the ladies were much pleased at the success of their venture and hope that the men will feel encouraged to go on with the building of the hall, now that so good a foundation is laid.

A little vinegar kept boiling on the stove while onions or cabbage are cooking will prevent the disagreeable odor going through the house.

If grease is spilled upon the kitchen stove, throw a handful of salt upon it, and it will prevent any disagreeable odor from arising.

Toronto:

Toronto, August 26.—Receipts at the Union stockyards to-day were 168 loads, with 3,076 cattle, 388 calves, 1,262 hogs and 1,398 sheep and lambs.

There was more life and activity in to-day's market than on any day last week. The fact that a large number of exhibition visitors were at the market, together with a slight improvement in the demand for butchers' cattle, gave an appearance of more business doing, even though prices were very slow to show corresponding strength. There was a slightly firmer tone toprices in general, but any advance if any would not be more than 10c and this only on the better class of good butcher cattle. One load and only one so far as could be learned of extra choice heavy cattle, going over 1,100 pounds, sold up to \$7.

The general run of butcher cattle prices were not more than steady to firm at from \$5.80 to \$6.50 and common to medium from \$4.50 to \$5.50, cows were steady from \$4.50 to \$5.50 and butcher bulls at the same figures.

The stockers and feeders trade is quiet. Lambs were stronger at \$7.50 to \$7.75 with the lighter run.

Hogs were quoted by some of the principal packers 50c lower than last week, but the generally prevailing selling prices in the market were only 25c lower at \$10, fed and watered, and \$10.25 off cars.

To-day's quotations.
