

# A FREE TRIP

## TO THE DOMINION EXHIBITION

THE MANAGEMENT OF THE WEEKLY MONITOR has decided to offer a free trip to the Dominion Exhibition to be held in Halifax from September 22nd to October 5th. By a free trip we mean that we will pay all expenses—board, lodging, entrance fees, railway fares, etc., from the time you leave home until you return, to the person who secures us the largest number of cash in advance subscribers at \$1.00 each from now until the 18th of September. Besides this free offer we will allow a liberal commission on all new subscribers sent.

This offer will be confined solely to those who work on a commission basis. Every subscriber should try for this free offer. If you fail you will lose nothing as we will give you commission anyway. The commission alone will pay you for any work you do for us. The free trip is entirely free and at our expense; you cannot lose anything by trying for it.

Write us for particulars as to commission, etc.

## WHAT Fruit-a-tives ARE

Fruit-a-tives are the marvels of modern medicine. They have accomplished more actual cures—done more good to more people—than any other medicine ever introduced in Canada for the time they have been on sale.

- Fruit-a-tives are fruit juices. They are nature's cure for
- CONSTIPATION
  - BILIOUSNESS
  - BAD STOMACH
  - DYSPEPSIA
  - HEADACHES
  - IMPURE BLOOD
  - SKIN DISEASES
  - KIDNEY TROUBLES
  - RHEUMATISM
  - IRRITATED HEART

Fruit-a-tives are the juices of apples, oranges, figs and prunes. These juices are concentrated—and by a secret process, the juices are combined in a peculiar manner. This new combination is much more active medicinally than fresh juices—yet so perfect is the union that Fruit-a-tives act on the system as if they were in truth a natural fruit, medicinally stronger than any other known fruit.

To this combination of fruit juices, tonics and internal antiseptics are added, and the whole made into tablets.

These are Fruit-a-tives—sold everywhere for 50c a box or 6 boxes for \$2.50. FRUIT-A-TIVES LIMITED - OTTAWA.

Our fishermen report lots of fish and lobsters, but bait is very scarce. Herring are so scarce that a catch of thirty in one net is quite unusual.

### Childhood Allments

Most of the troubles that afflict little ones may be traced to the stomach or bowels and if these are put right the child will get well and thrive well. Baby's Own Tablets will cure all stomach and bowel ailments, and all the other minor troubles of babyhood and childhood. And the mother has the guarantee of a government analyst that this medicine contains no poisonous opiate or harmful drug. Mrs. Wilbert McKenzie, Chelmsford, Ont., says: "My little girl was troubled with obstinate constipation to such an extent that we did not think she would live. She was almost constantly and was wasting away. I got a box of Baby's Own Tablets, and in three days found a great improvement. I continued giving her the Tablets for nearly a month, and every trace of the trouble has disappeared, and she has since been a bright, healthy child and has grown nicely." ### Sore Muscles

Prominent athletes throughout the country find that the best treatment for sore muscles after severe exercise or hard work of any kind, is a hot bath at bed time, which opens the pores. This should immediately be followed with an application of Chamberlain's Pain Balm vigorously rubbed into the skin. This liniment relieves all stiffness and soreness and has become a favorite rub down, as it acts promptly and keeps the muscles in excellent condition. For sale by S. N. Wear.

You can easily do it with Ayer's Hair Vigor. It is something more than a simple hair dressing. It is a hair medicine, a hair tonic, a hair food.

### How to Break Up a Cold

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. To do this, however, prompt action is necessary.

Take a cold as a dry, low cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by S. N. Wear.
