

TO DEAR MADAM C. S. RODIER,

THIS LITTLE BOOK IS RESPECTFULLY DEDICATED.

---

We wish this small volume to stand as a memorial of the affectionate intercourse, which existed between our much loved Ernestine and her sister Graduates who have been taught, together, to love Jesus and Mary.

May it also prove a solace to the grief and sorrow of the fond parent's heart, for the loss of her angelic daughter, is the earnest prayer, of the pupils of Villa Maria.
