LIGHTS!

ELECTRIC CO.

BEING ORGANIZED UNDER SPECIAL ACT.

Only Perfect Automatic Self-Regulating System of Electric Arc Lighting in the World.

In all desirable qualities of ELECTRIC ARC LIGHTS the THOMSON-HOUSTON or AMERICAN ARC SYSTEM has no equal. The Lights are SUPERIOR IN COLOR AND STABILITY, and the entire apparatus is more ECONOMICAL, EFFICIENT and SAFE, more EASILY MANAGED, and LESS LIABLE TO DERANGEMENT than any other. This system was awarded the FIRST PRIZE for the BEST SYSTEM of arc lighting and the BEST ARC LAMP, at the Cincinnati Industrial Exposition of 1883.

This system has been awarded SUPERIORITY IN ALL THE COMPETITIVE TESTS to which it has been subjected. NEW ILLUSTRATED PAMPHLET will be sent on application.
