Giving to customers cash discounts on orders. We alone catalogue that best of all bushels—the Warren and that best of all ears—the Excellence. No other Seed Catalogue of America or Europe, contains so great a variety of several of the standard varieties and, in addition, are many choice varieties peculiarly our own. Though greatly enlarged in both the vegetable and flower seed departments, we send our catalogue FREE to all. The three warrants of "hold good" and our customers may rely upon it, that the well earned reputation of our seed for freshness and purity will continue to be guarded as a most precious part of our capital.
