**TESTIMONIALS!**

Toronto Steam Laundry—G. P. SHARPE  
Having thoroughly tested the Keystone Wringer we have no hesitation in pronouncing it the *best in the market*. We used it on the heaviest quilt, and immediately after put through a lace collar, and in both cases the work was done better than by any other machine we have tried.

MRS. ANDREW CHISHOLM, London  
Having tried the Keystone Wringer in my household we find it just perfection—so simple in its construction that it requires no adjustment and cannot get out of order. I have pleasure in recommending it, and taking one myself.

DAVID MORTON, ESQ., Hamilton  
The Keystone Wringer has given me good satisfaction. For compactness, capacity, and ease in working it is *ahead of anything in the market*.

ALFRED ARNOTT, ESQ., Barrie Hotel  
I have subjected the Keystone Wringer to severe tests, and pronounce it the best in the Dominion.
