PAYMENTS FOR THE RECORD.

We hope such as are in arrears for any of the first four volumes, will endeavour to settle their accounts at the earliest opportunity. We have to acknowledge the prompt manner in which some of the Missionary Catechists and others have lately added names to our subscription list, and we especially approve of their mode of doing business, viz.: sending payment in advance. It is much the best plan for all parties.

The latter half of the current volume will be, if paid in advance, 1s. 10 1/2d. We have had a larger edition struck off in the expectation of additional subscribers.
