CURED RINGBONE AND BLOOD SPAVIN.

Big Wausaukee, Wis., March 5, 1890. The Lawrence-Williams Co, Cleveland, O.

In regard to Caustic Balsam, would say that I have used it according to directions, and it has done wonderful work on ringbones, curing in three applications, and blood spayin in three applications.

"THE BEST BLISTER I EVER USED."

White Rock, Huron Co, Mich.,

Sept, 14, 1897.
I have used Gombault's Caustic Balsam for ringbones, spavins and curb, and I think it is the best blister I ever used, as it doesn't destroy the hair, and is an excellent remedy for the above ailments.

IT NEVER FAILS TO CURE.

Sinkin, Mo., Nov. 10, 1897. The Caustic Balsam you sent me is the best liniment I ever saw. It is all that you claim for it. I have tried it on horses, and my family have used it, and it never fails to cure. I do not intend to be without it. I am doing all I can for it, but people are afraid of it.

Eugene Steers. No occision to be afraid, as it is absolutely a safe and reliable remedy for any one to use.-L.-W. Co.

AN EXCELLENT REMEDY.

Flat Ridge, Va., Oct. 12, 1897. I used Gombault's Caustic Balsam for soratches, and have never seen any-thing to equal it. I find it to be an excellent remedy for human flesh, when used on bruises, etc. , A. B. Roberts.

Hunt's Corners, N.Y., Sept, 14, 1897.

1 used Gombault's Caustic Balsam
for a bog spavin that just began to
show, and it killed it. 1 put on seven
applications; was bound to cure or
take the leg off. You said it would cure, and I took your word for it and was rewarded with a permanent cure. I have recommended it to others, and thus far all have been satisfied that used it. Many thanks for your advice in its use.

50 MILES PER DAY NOT SLOW.

Syracuse, N.Y., Sept. 13, 1897. I have just returned from a carriage drive to and from Connecticut, covering about 700 miles. The first day, in the afternoon, my horse was taken with a lameness. I had him examined, shoes taken off, etc. We finally reached Norwich, where we had recommended to us Gombault's Caustic Baleam. I put it on my horse's foreleg, and gave it a good rubbing. The next morning the leg was badly swollen and very feverish. I followed the printed directions as nearly as I CURES SIDE BONES AND SPLINT. could; gave the leg a good rub, har-nessed and went on. When I came here in '93 the remedy was unknown. I think if I can make some arrangements with you for an exclusive agency for this community I can push the sale of the same in a way that will be highly satisfactory to you and profitable to myself. If you will come to some understanding with me, please advise me of the terms you are willing to give. Walter P. Kelty, V. S.
